

Follett School Solutions Professional Development Proposal Form

PREPARED FOR: MOUNTAIN VIEW-WHISMAN SCH DIST (0439391)

Contact: Kris Klein

Date 6/7/2018

FOLLETT PD SOLUTION

Follett Professional Development courses demonstrate how to easily apply technology and pedagogy to meet your student achievement needs. With our clear, informative sessions, you can enhance your effectiveness as an educator and successfully integrate technology into the classroom, the library, and beyond. This is more than just pedagogy or technology- it's a merging of the two concepts.

SOLUTION BENEFITS

Follett Professional Development is based on best practices designed by industry thought leaders. First, we focus on the instructional strategy. Then, we will show you how to use our products to meet your needs. The end result is more than just technology alone- it is a true end-to-end solution. Our sessions offer access to tools and resources that will produce immediate results in the classroom. In addition, Follett Professional Development courses offer clock hours that will be provided to attendees who are present for the session. Attendees will receive a Certificate of Participation that can be submitted to your state system for credit.

COURSE TITLE: Custom Destiny Library Manager Professional Development (6 hours)

DISTRICT INITIATIVES THIS PROFESSIONAL DEVELOPMENT ADDRESSES:

Librarians and teachers are faced with increasing challenges affecting digital literacy, information literacy, and curriculum. Each of these has a significant impact on students and teachers. During this day's sessions, learn about clear and simple solutions to these challenges, cultivate networks to promote innovative thinking about libraries, and get a multitude of resources that promote future-readiness.

SESSION OBJECTIVES:

Maintaining an Organized Library

An organized library is efficient and lets you focus on helping students. When you know what is in your collection, you are better able to ensure that patrons have what they need. Explore best practices of performing inventory, managing title and copy records, and ensuring patron data is up to date.

- Learn how to manage title, copy and patron records
- Use reports and Report Builder to find items that need updating
- Use the Titlewise collection analysis tool to weed your collection
- Discover best practices of conducting inventory

Making the Most of Destiny Discover and Collections by Destiny

Not only does Destiny Discover give you seamless access to the print and digital materials in your library collection, it helps guide your students to online resources.

- Explore ways to maximize your use of Destiny Discover, including how to customize the experience for students, search for resources that align with learning objectives and provide access to limitless, curated digital resources.
- Learn ways to provide easy access to resources through Google Chrome Extension, widgets, permalinks and QR codes
- Develop an understanding of effective content curation with Collections by Destiny
- Find and evaluate quality content aligned to curriculum

Professional Development Location: _____ (to be filled out by district)
