Seamless Summer 2018 Program Highlights

- Partnered with Second Harvest Food Bank for material/equipment support.
- Santa Clara County Department of Public Health/Nutrition Education conducted four nutrition trainings for the students and community during July.
- Two Programs
 - Parks and Recreation
 - Breakfast and Lunch 16,626 meals
 - Stanford Summer Program
 - Lunch 2,900 meals

New this year: Community Housing Feeding

- The District served lunch at three sites*.
 - Latham Housing Complex
 - 1,341 meals
 - Rengstorff Park
 - 5,281 meals
 - Castro Park
 - 3,363 meals

*The District was unable to use the Library site this year due to Federal restrictions in place with the decreasing number of free/reduced lunch students in MVWSD, reducing the number of children served this summer.

Seamless Summer 2018 Program Totals

- Breakfast 23,079 meals
- Lunch 34,616 meals
- Total Count <u>57,695</u> meals served to Mountain View children

Next Steps

Seamless Summer 2019 Next Steps

- Continued partnership with Second Harvest Food Bank to expand in summer 2019
- MVWSD received a three-year grant from Santa Clara Board of Supervisors to purchase and operate a mobile food truck.
- Exploring concept of local partners to provide "food on wheels" to reach all areas of Mountain View
