Telephone: (650) 526-3500 FAX: (650) 964-8907

Statement of Interest:

My name is Micah Merrick, and I've been a resident, along with my wife and two children, of Mountain View for the last 5 years. We live in the Whisman neighborhood near Devonshire Park.

I am personally interested in the topics of work and education, and am passionate in work that improves the community. In my spare time, I write a weekly newsletter about these topics called Meritmark and have previously published a book about the pros and cons of attending business school.

Professionally, I am currently the VP of Finance for a 50 person venture-backed startup in South San Francisco and have worked with venture backed technology companies for over 15 years in Silicon Valley, Boston and Philadelphia.

Finally, I am actively broadening my work within the community. Early this year I became a member of the Board of Directors for NOVAWorks, the regional workforce development board, NOVA works on behalf of a consortium of eight jurisdictions, composed of the County of San Mateo, and the Santa Clara County cities of Palo Alto, Cupertino, Los Altos, Milpitas, Mountain View, Santa Clara, and Sunnyvale. NOVA partners with a great number of organizations in order to provide local job seekers with customized employment and training solutions.

I am interested to work with the MVWSD in order to enhance the educational experience for my own children, and for every other child living in our community. It would be an honor to do my small part for our community schools by serving on this Committee.
