Next Steps For Transition to Vargas

- Communications:
 - Letters to transition families
 - Welcome events
 - District Kinder Night
 - Sibling intent survey
 - Website: www.mvwsd.org/transitions
 - Process and timeline for placing Certificated and Classified Staff

Special Considerations: Bullis Charter

- District will have to implement a Reduction in Force. Impact = 160 students
 - $160 / 24 = 7$ teachers, for the first year of Bullis opening
 - If Bullis continues to add additional grades, District will continue to implement reduction in force
- Facilities and space will also be impacted
