Reference: Fee Proposal for North Bayshore Project

Robert:

The Greystone West Company proposes to perform planning and construction management services for the Mountain View Whisman School District's North Bayshore project(s). During the planning phase, a representative will attend the meetings with the understanding that, once a budget has been established, Greystone West Company will provide a proposal and provide the construction management services for the project(s). Construction Management duties are outlined in the contract agreed upon between Greystone West and the District.

Please call me should you have any questions.

Best Regards,
