2017-18 School Accountability Report Card

Published in 2018-19 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English Learners).

Community & School Profile (School Year 2018-19)

The Independent Study Program (homeschool) is located in Mountain View, a suburban community of over 77,000, approximately 35 miles south of San Francisco. It is part of the Mountain View Whisman School District, which serves more than 5,000 students in eight elementary schools and two middle schools.

Mountain View Whisman School District offers a homeschool program to families of children in Kindergarten through 8th grade. In this program, parents and children work with a credentialed teacher to provide the best instructional strategies to meet their child's particular learning needs. A California State Standards-Based curriculum is provided. Support is provided through bimonthly individualized student-parent-teacher meetings held at Monta Loma Elementary School. A small homeschool community developed around an onsite science class, a community-based art class, bimonthly field trips, and other opportunities for socialization and learning.

School Attendance & Enrollment (School Year 2017-18)

Regular daily attendance is a priority at the school and is an important component of academic achievement. Attendance, tardy, and truancy policies are clearly stated and consistently enforced.

Parents are advised of their responsibilities, including proper notification of when and why students are absent. Attendance is monitored very closely with follow up phone calls made daily by the school secretary. Parents are advised of excessive absences through letters and, if necessary, parent conferences. Those students who continue to exhibit excessive absences are directed to the appropriate authorities, including the local Student Attendance Review Board (SARB).

The chart displays school enrollment broken down by grade.

Enrollment Trend by Grade Level

	2015-16	2016-17	2017-18
K	2	2	1
1st	2	3	2
2nd	2	2	3
3rd	-	2	2
4th	1	-	1
5th	1	-	-
6th	2	1	-
7th	3	1	1
8th	1	2	1
Total	14	13	11

The chart displays school enrollment broken down by student group.

Enrollment by Student Group	
2017-18	
	Percentage
Black or African American	18.2
Hispanic or Latino	27.3
White	54.5
Socioeconomically Disadvantaged	9.1
Students with Disabilities	9.1

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	16-17	17-18	18-19	18-19
Fully Credentialed	1	1	1	279
Without Full Credentials	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

	Misassignments/Vacancies		
	16-17	17-18	18-19
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	0	0	0

Instructional Materials (School Year 2018-19)

The school district held a public hearing on September 20, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks					
Grade Levels	Subject	Publisher	Adoption Year	From Most Recent Adoption	% Lacking

School Facilities (School Year 2018-19)

The Independent Study Program is currently comprised of one classroom located on the Monta Loma Elementary School campus.

Cleaning Process

The Monta Loma principal works with her full-time custodian to ensure the classroom is kept clean, safe, and well-maintained.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service with emergency repairs given the highest priority.

The chart shows the results of the most recent school facilities inspection (as of September 2018). While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

School Facility Conditions

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) include computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA).

A new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS) has been developed. The California Standards Test and California Modified Assessment for Science are no longer administered. The new California Science Test (CAST) was piloted in spring 2017 and field tested during the 2017–18 school year. No student scores or aggregated results will be released until development of the test has been completed and reviewed. **The CAST will be administered operationally during the 2018–19 school year.**

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student’s academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student’s academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

Due to the moderate number of students tested, scores are not disclosed for this school.

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2016	2017	2018	2016	2017	2018	2016	2017	2018
English Language Arts/Literacy (Grades 3-8 and 11)	--	--	--	66	66	68	48	48	50
Mathematics (Grades 3-8 and 11)	--	--	--	60	62	64	36	37	38
Science (Grades 5, 8, and 10)	--	--	--	73	--	--	54	--	--

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2017-18)

In the spring of each year, the school is required by the state to administer a physical fitness test to students in grades five and seven. The Physical Fitness Test measures each student’s ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the “Healthy Fitness Zone” (HFZ).

Percentage of Students in Healthy Fitness Zone			
2017-18			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	-	-	-
7	-	-	-

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent Involvement (School Year 2018-19)

Parents play an integral role in the education of their children in the Mountain View Whisman School District Homeschool Program. The Independent Study Program greatly benefits from its supportive parents who assume the role of teacher in the education of their children with consultation from the ISP Teacher. Nearly all lesson delivery, teaching, and learning opportunities are provided by parents and caregivers. As the primary teacher, parents are asked to deliver core instruction and administer assessments with the support of the homeschool teacher when needed. Through this partnership, parents and the homeschool teacher will ensure that the California State Standards are met.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions & Expulsions

The table displays the suspension and expulsion rates for the past three years.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	15-16	16-17	17-18	15-16	16-17	17-18
School	0.00	0.00	0.00	0.00	0.00	0.00
District	2.63	1.66	0.00	0.00	0.00	0.00
State	3.65	3.65	3.51	0.09	0.09	0.08

Safe School Plan (School Year 2018-19)

As schooling is primarily done in the students' home, parents are responsible for the safety of their children while at home and on field trips. Since the ISP program is on Monta Loma Elementary School's campus, it follows the Monta Loma Safety Plan guidelines. During bi-monthly meetings, all of Monta Loma School's safety plans will be followed in the event of an emergency. The School Site Safety plan is reviewed and updated no later than March 31 of each school year by the School Site Council, parents, and faculty. The plan was most recently updated and reviewed in March 2018.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Class Size

Due to the nature of independent study, class size distribution data was unavailable.

Counseling & Support Staff (School Year 2017-18)

The school did not have an academic counselor in the 2017-18 school year.

	Counseling & Support Services Staff	
	Number of Staff	Full Time Equivalent
Nurse	1	As Needed
Occupational Therapist	1	As Needed
Psychologist	1	As Needed

Staff Development

The staff development plan is coordinated by the District Educational Services department in accordance with district and site priorities. Six professional days are planned annually to update and extend adult learning.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Mountain View Public Library, which contains numerous computer workstations.

Expenditures & Services Funded (Fiscal Year 2016-17)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor.

The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures that will be reported in the 2018-19 fiscal year.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

District Revenue Sources (Fiscal Year 2017-18)

In addition to general state funding, Mountain View Whisman School District receives state and federal funding for the following categorical, special education, and support programs:

- Title I
- Title II, Part A (Teacher & Principal Training & Recruiting)
- Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement Act)

Average Teacher & Administrative Salaries (Fiscal Year 2016-17)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the California Department of Education's website www.cde.ca.gov.
