Coding Fair

# Coding Fair. Celebration of student projects.

# The Big 5. Possible with code.

## Simulation

Model a real-world system to examine and explore it.

## Visualization

Bring data to life through graphics, animation, and sound

## Application

Solve a real-world problem using the power of coding.

## Game Interaction

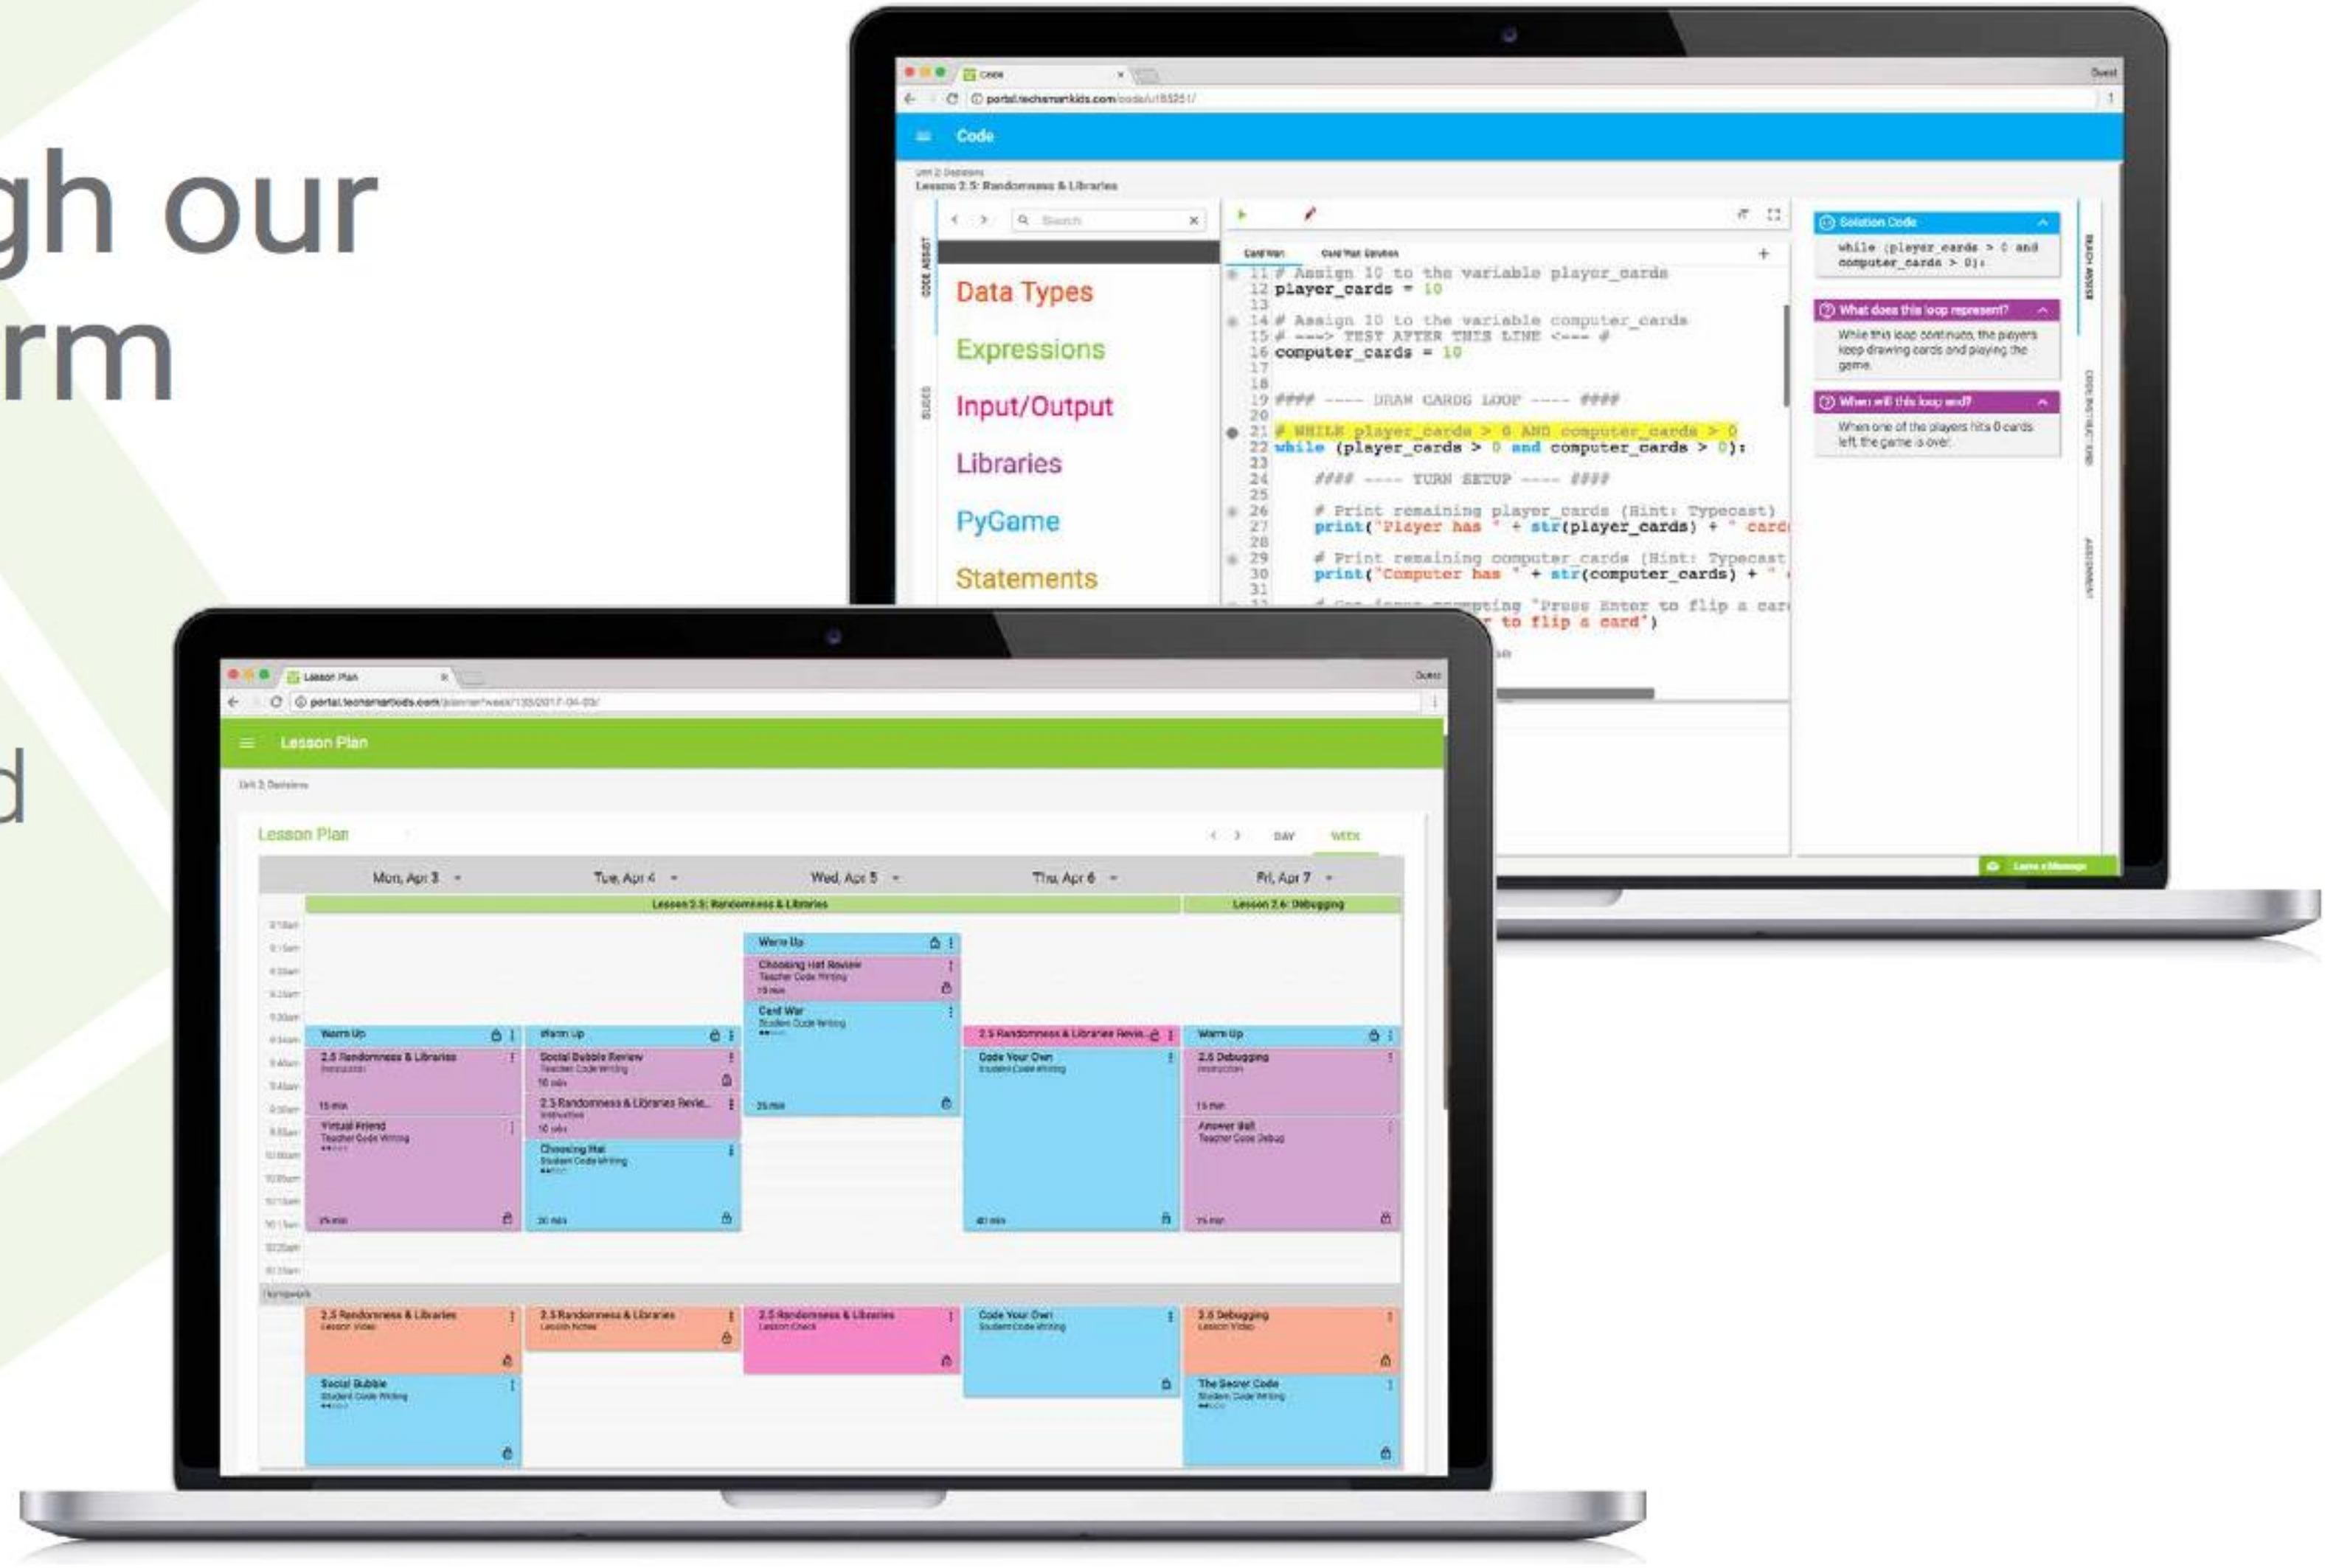

Learn in an entertaining and engaging way

## Creation

Code vibrant, complex stories

# Delivered through our Teaching Platform

Uniquely integrates curriculum, coding and teacher scaffolding features.

Designed.  
To be different.
