

MEMORANDUM OF UNDERSTANDING

between

Olimpico Learning and Mountain View Whisman School District Academic Summer Program - 2019

This Memorandum of Understanding (MOU) serves as a facilitating document establishing agreement between Olimpico Learning located at 5205 Prospect Road 135-244, San Jose, CA 95129 and Mountain View Whisman School District located at 750 San Pierre Way, Mountain View, CA 94043 to implement Olimpico Learning Program.

All of the provisions of this MOU and any attached documents, project proposals, and/or addenda are subject to mutual agreement of the parties, and to be reviewed by the School District Superintendent, and when necessary, the District's Board of Trustees. Parties to this MOU have the right to terminate this MOU and any future addenda by informing the partner in writing 30 days prior to termination date.

Olimpico Learning Academic Summer Program Description:

The STEAM program is designed for incoming 1st-5th grade students. The program will engage students in a thriving and challenging Academic Summer Program environment that uses technology to improve skills in Math and English Language Arts. Learning experiences revolve around a weekly STEAM science-based themes. We incorporate technology as an essential learning tool and strive to inspire students to prepare for careers in science, technology, engineering, arts, and math.

Olimpico Learning's Academic Summer Program provide student support through 4-weeks (72 hours) will be held during June 17- July 12, 2019, holidays July 4/5. Classes are held at the school district's designated school site(s). Students are taught by credentialed teachers. The students receive tutoring, teaching assistance and mentoring from high school, college students and volunteers.

Olimpico Learning Academic Summer Program Goals:

1. Improve Math and English Language Arts skills in K-5th grade students by using technology as a tool for learning;
2. Instill a love of Science by presenting weekly science-based themes that integrate Math and English Language Arts;

3. Provide professional development opportunities to school teachers, teachers-in-training, and college students involved in the Academic Summer Program;
4. Increase study skills, motivation and persistence of the students in doing quality academic work;
5. Increase the students' aspirations about going to college;
6. Promote creativity, courage, and perseverance.

Collaborative Successful Partnership Proposed Roles and Responsibilities:

Olimpico Learning and the District agree to provide the following resources:

Olimpico Learning Services:

- Provides the Olimpico Learning curriculum and professional development and materials for best implementation of the curriculum.
- Develops weekly science-based themes to integrate all learning components within the curriculum.
- Markets the program to foundations, corporations, businesses and individuals to obtain funding and volunteers for the program.
- Funds the following program costs: Teachers and Teaching Assistants compensation, curriculum, snacks, and showcase celebration event.
- Provides project management to prepare for the program: recruit students, recruit teachers, recruit teachers assistants, call meetings, set milestones and track the execution of the program along with the District.
- Works with the District staff to set expected outcomes and ensure that they are met. Expected outcomes include target gains in math skills and English language arts.
- Organizes the pre- and post-assessment tests/surveys and prepare the end of program reporting. Prepare and provide reports on the program and overall student achievement gains, which are shared with the District and funders.
- Hires and trains college student teaching assistants for the program.
- Organizes the Showcase Celebration as an end-of-Program information day for parents.
- Recruits and trains corporate volunteers to enrich the classroom experience.
- Agrees to abide by Mountain View Whisman School District insurance clause.
- Host site visits to provide donors and/or partners the opportunity to observe a classroom as well

as speak with students about their experience. Visits may include student and staff photo releases.

School District provides the following services to make the program successful:

- Provides and pays for one credentialed lead teacher, who will assist with planning and delivery of instruction, prior to and during the course of the academic summer program and with the IEPs and 504 plans. This person will also act as a liaison between Olimpico Learning and the District.
- Provides and pays for one bilingual secretary/clerk in the front office.
- Provides breakfast and lunch to students (if applicable).
- Provides basic classroom facility, custodial services, breakfast and lunch supervision.
- Provides a financial contribution to the program as outlined in Addendum II.
- Recruits students to participate in the program. The District will promote the program to District schools, students and parents.
- Sets high expectations for student behavior and attendance (e.g. no partial attendance). Communicates with parents to re-enforces these expectations.
- Commits to making the program a success by fully coordinating with Olimpico Learning in the planning, development and implementation of the program, with the intent to make it a replicable program (“model”) for the District and multiple school districts in following years.
- Agrees to provide computer and Internet access to students over the course of the program including access to possibly restricted websites such as Youtube.com, KhanAcademy.org, Edmodo, and Google/Gmail for the purpose of providing students supplemental technology programming.
- Agrees to identify a dedicated representative from the district IT department to support the program’s connection to the internet. When Olimpico Learning laptops are provided the district’s IT department works with Olimpico Learning to provide support in any set-up and connection of the external laptops to the district’s internet infrastructure.
- Agrees to provide students’ computer login setup and tested by June 12, 2019.
- Agrees to provide teachers’ computer login setup by June 12, 2019 for the teachers’ training days.
- Agrees to provide students’ progress reports on STMath and Lexia each Friday by 12:30 pm.
- Agrees to allow Olimpico Learning to host site visits by donors and/or partners with the purpose of observing an Olimpico Learning class as well as speaking with students about their experience relevant to Olimpico Learning.

This MOU may be extended by addenda with signatures by both parties to permit subsequent Olimpico Learning program under the same terms and conditions.

Signatures: School District and Olimpico Learning:

Only the authorized agents or their offices listed below may make changes to this MOU and future addenda provided that both parties mutually agree upon such changes in writing.

MEMORANDUM OF UNDERSTANDING: ADDENDA Olimpico Learning
Academic Summer Program

Addendum I: Facilities Support for the Olimpico Learning Academic Summer Program

The District provides the location and facilities for the Summer Academic Program:

- Classroom setting for teachers to conduct instruction to students, such that adequate space is allocated for class size of up to 30 students.
- A teacher-preparation and small tutoring space (could be a classroom), teacher's lounge and kitchen.
- Access to computers and Internet to support up to 30 students at a time.
- Outdoor space including grassy area for students to have physical exercise and to mingle.
- Access to multi-purpose room with audio/video support for the Showcase Celebration and end-of-program event.
- Provide space for use of laptops, if used at your site, and provide secure place for laptop storage.

Addendum II: Financial Support for the Olimpico Learning Academic Summer Program

The District provides and pays the tuition and fees for the:

Academic Summer Program: (6/17/2019 – 7/12/2019, 8:30 am – 12:30 pm)

Workdays - Academic Summer Program: (6/13/2019 – 7/12/2019, 8:00 am – 2:00 pm),
holidays July 4/5.

Up to 26 students x 10 classrooms = 260 students. The cost will be \$16,000 per class x 10 classrooms = \$160,000 for outstanding customized summer STEM/STEAM program.

- By 4/1/2019 -- 50% (\$80,000)
- By 5/1/2019 – 25% (\$40,000)
- By 7/1/2019 – 25% (\$40,000)

Addendum III: Adherence to Tuberculosis Requirements

Olimpico Learning agrees to comply with the tuberculosis requirements of Mountain View Whisman School District and Education Code section 49406.1 with respect to all Olimpico Learning employees who may have contact with District pupils in the course of providing services pursuant to this agreement.

Addendum IV: Adherence to Fingerprint Requirements

Olimpico Learning adheres to the fingerprinting and criminal background investigation requirements of District and Education Code section 45125.1 with respect to Olimpico Learning employees, subcontractors, agents who may have contact with District pupils in the course of providing services pursuant to this agreement.

Addendum V: Student Data and Tracking of Student Achievement

Olimpico Learning and the District have partnered to examine students' academic trajectories toward college readiness that includes preparation in ELA, math and science. The partnership will review the progress of students who participate in the Olimpico Learning program. The work is intended to provide analytic information to school and school district staff, and their partners, interested in formative and summative measures of ELA, math and science achievement, ELA, math and science placement and ELA, math and science proficiency as it relates to postsecondary readiness.

Addendum VI: Insurance document attached
