2019 Delegate Assembly Candidate Biographical Sketch Form

DUE: Monday, January 7, 2019 – no late submissions accepted

Please complete, sign, and date this required ONE-page candidate biographical sketch form. An optional, ONE-page, single-sided, résumé may also be submitted; both will be copied exactly as received. Please do not state “see résumé” and do not re-type this form. It is the candidate’s responsibility to confirm that all nomination materials have been received by the CSBA Executive Office.

Your signature indicates your consent to have your name placed on the ballot and to serve as a Delegate, if elected.

Signature: _____

Date: December 12, 2018

Name: Melissa Baten Caswell

CSBA Region & subregion #: 20

District or COE: Palo Alto Unified School District

Years on board: 11

Profession: High Tech Management

Contact Number (please v Cell Home Bus.): 650-823-1166

*Primary E-mail: mcaswell@pausd.org

(*Communications from CSBA will be sent to primary email)

Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: _____

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I have 11 years of experience on PAUSD BOE. I would like to use my board experience and more than 18 years of community service leadership, a BA and MBA from Dartmouth College, and more than 17 years of management experience, to advocate and help with policy making on behalf all students across the state of California. As a member of a K-12 Unified Suburban district, I believe that I can provide perspective and testimony on many issues including: adequate student funding, student mental health and wellness, suicide prevention, teacher recruitment and retention, curriculum needs, arts, special education supports, college readiness, career technical education and Title IV compliance.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

I have been the President and the Vice President of the PAUSD BOE twice, an officer in the SCCSBA for the past two years, and the President and Vice President of both the Palo Alto PTA Council and my children's school PTA. I have listened to thousands of students, parents, teachers, and staff across our state, region and district. I have been actively involved with the California Suburban School Districts Organization and Schools for Sound Finance for the past 11 years. I have worked with board members, local legislators, city council members, and community groups to address challenges and advocated with constituency lobbying groups at the state and local level.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

Rising Pension costs and teacher retention (in the face of extremely high housing and living costs in California) are straining school districts. This is impacting our ability to make progress on important initiatives including: closing the achievement gap, increasing graduation rates, supporting the academic growth and social emotional health of every child, and further developing the next generation of leaders for our state and country.

CSBA provides collective support, training, and voice for school boards and districts. School boards have a much stronger voice when we learn, advocate, and craft key messages together.

E-mail: nominations@csba.org, or fax to (916) 371-3407, or US Mail to: CSBA | Attn: Executive Office | 3251 Beacon Blvd., West Sacramento, CA 95691. Please only submit biosketch form via one of these modes only; do not send multiple times. If you have any questions, please contact the Executive Office at (800) 266-3382.

Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: 2009

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

I have served on the Campbell Union School District's school board for 15 years and have been a delegate for Region 20 for the past 10 years. I have enjoyed serving the students of both my district and the state in these roles. Our district sits right on the cusp of Basic Aid, so I have knowledge and experience with both funding methods. On a personal level, I have three children and their educational experiences include GATE designation, resource and services for Dyslexia, and placement in SDC and SAI classes via the IEP process. This gives me a wide variety of experiences.

Please describe your activities and involvement on your local board, community, and/or CSBA.

For the Santa Clara County School Boards Association (SCCSBA) I served four years as treasurer and three years as the Hoffmann Awards co-chair which provided visibility to the many amazing and successful programs in our county. I have served on my Board's Intergovernmental subcommittee where we meet with the leadership in the six cities that our district serves. I am a board member for the 100 Women Charitable Foundation which gives grants to local non-profits working with under-served populations in the areas of Education, Family and Health & Wellness. Additionally I

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

Funding - both the inadequate base funding amount and the ramp up of District contribution requirements for STRS and PERS are going to impact classrooms, and therefore students, in all districts across the state. We need to address this at the state level while still focusing on student achievement for ALL students at the local level.

Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: _____

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I have served on the school board for 12 years and was just reelected to my 4th term. During my time on the Board, I have been a key advocate for education in our community and with our state legislators, who often turn to me for school governance advice. I want to take my passion to CSBA. My leadership includes being instrumental in the passage of our district's first parcel tax and serving as Board President for 3 years. In addition to running the parcel tax campaign in 2006, I helped pass a parcel tax extension in 2010 and a bond measure in 2014. I have been a leadership training facilitator and parliamentarian for various organizations.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

Before the school board, I was a member and chair of the San Jose Library Commission. I have served on the school board during the recession and during restoration of funding. I worked hard to maintain our district's library services, music program, and PE teachers. I am proud of our district's environmental policies, expansion of social/emotional well-being support for students, and the creation of a dual immersion language program.

I helped start the East Side Alliance, regularly attend the First Friday lunches with board members, and have served as a panelist for SCCSBA's new Board member training. I also acted as a liaison between the city and school district on several key projects.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

I understand the difficulties of districts that are at the low end of the revenue limit scale and those that are experiencing declining enrollment. CSBA needs to understand how the state's economic challenges, including high cost of housing, over-reliance on personal income taxes, and crumbling infrastructure affect school districts. CSBA should help facilitate regional cooperation between school districts and cities to address these issues. I will continually advocate for full and fair K-12 funding. California should strive to be in the top 10 in per pupil funding, not in the bottom 10. We should be at the top in teacher, librarian, counselor, nurse and administrator ratios.

 Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: _____

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

Cupertino has a strong tradition of advocacy and teamwork with CSBA and the Region 20 Delegate team. I'd be honored to join in the shared learning and dedication to impact advocacy and legislation benefitting all children. While I have so very much to learn, I also have the energy, collaborative spirit, and depth of leadership experience to be an asset for our region and all students. I bring almost two decades of combined school, district and professional leadership experience, have experience as a clinical educator, and have a deep understanding of school funding reform and policy. I look forward to fostering relationships with board members from all over our county, region and state.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

After joining our board, I was elected to Vice President. Over the past 4 years I have served on all four of CUSD's standing advisories (Budget, Parent, District and DELAC). Currently, I serve on our Board and Superintendent committees including our Budget Advisory, Equity Working Group, and as board liaison to the Santa Clara County Homestead Corridor Safe Route to School Study. I serve on Fremont Union High School District's Citizens' Oversight Committee, as Nominations Chair for the Cupertino-Sunnyvale League of Women Voters, and with the LWV County Education Committee. As a parent in the district I have served for many years as School Site Council Chair and on the PTO Board of Directors.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

Our governing boards all share in grappling with funding challenges, regional high cost of living & resultant teacher/staff retention, declining enrollment, STRS&PERS, and the ongoing work to align with CCSS while closing our achievement gaps (with limited resources available). CSBA's advocacy efforts towards increasing base funding for all students with legislative Full & Fair funding work will continue to be mission critical. As we all adjust to a new Governor and senior leadership at the State Board and Superintendent's office, I anticipate CSBA will continue to be at the forefront, serving as both a key resource and communication hub to assist districts state wide with this transition.

<small>(*Communications from CSBA will be sent to primary email)</small>	
Are you an incumbent Delegate? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If yes, year you became Delegate: _____	

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I start my 9th year on East side board, the second largest high school district of Northern Ca with over 22000 ADA and I have brought a collaborative leadership, an interpersonal organizational and business management skills to my district and believe it will be a good asset as a delegate to advocate and improve for student education. I have been involved and volunteered in the community for over 30 years and have built good relationship with many stakeholders, elected officials and legislators. I am very passionate to serve the younger generation and would like to be involved more as a delegate to better serve and have a voice representing my district at CSBA.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

I visit schools every year and have discussed with stakeholders and students on school and education related issues. I am proud to have started the McKinney Vento project in the district to provide a warm dinner, gifts and other resources for homeless students and their families and last year was our 7th year. I was involved in the audit committee and helped organize student government board representatives. In 2015, I championed and worked with my Superintendent to implement one more contest on essay, drawing and multi media for students of my district with the topic of Asian American heritage heroes besides two regular contests about Martin Luther King and Cesar Chavez.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

The biggest challenge is funding and we need to work with all legislators to bring back the "Fair and Full landing" to provide more critical services to all students and especially underprivileged youth. CSBA needs to continue to lead this effort by assisting board members and equipping them with the message points to inform our community and to encourage more dialogue and rapport with legislators. We need to think of a long term goal of 10-20 more years to serve our students with 21st century skills set and support recruiting new and good teachers.

E-mail: nominations@csba.org, or fax to (916) 371-3407, or US Mail to: CSBA | Attn: Executive Office | 3251 Beacon Blvd., West Sacramento, CA 95691. *Primary E-mail: execdirector@sccsba.org

(*Communications from CSBA will be sent to primary email)

Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: 2015

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I have been a CSBA Delegate since 2015, and I understand how important it is to have experienced advocates in this position. I have also been the Executive Director of the Santa Clara County School Boards Association since 2015, and I am familiar with all the boards in Santa Clara County in addition to all of the local, state and federal legislators. I am fully committed to attending the two Delegate Assembly meetings each year, in addition to working closely with CSBA and our Region 20 Director to forward CSBA's policy goals. My priority areas are advocating for more state funding for public education, closing the achievement and equity gap in districts, and school safety.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

I have been a trustee on the Evergreen School Board since 2012. I have worked in my community as an advocate for students, staff and neighborhoods for the past 20 years. I have been on a variety of boards and commissions, including the San Jose Housing and Community Development Commission, San Jose Redistricting Commission, District 8 Community Round Table President, and multiple bond oversight committees. As stated above, I've also been a CSBA Delegate and Executive Director of the SCCSBA since 2015.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

The biggest issue facing governing boards is governance. Most board members come onto boards with very little experience in governance, and especially in budget analysis and management. The first year of a board member's life on the board can be eye-opening and very frustrating. In my own work with the SCCSBA, I have found that trustees appreciate the resources we offer, and also the support networks. A board member's life can be very isolating. I think that CSBA can help with this issue by improved board member training and governance workshops, especially if it is grounded in the reality of what board members actually face in a system of funding limitations and competing interests.

E-mail: nominations@csba.org, or fax to (916) 371-3407, or US Mail to: CSBA | Attn: Executive Office | 3251 Beacon Blvd., West Sacramento, CA 95691. Executive Director, Santa Clara County School Boards Association, 2015-present

Lead the daily operations of the SCCSBA, including fund development, communications and outreach, budgets, administration, event planning and execution. I'm the liaison to our 33 school boards in Santa Clara County.

Evergreen Elementary School Board Trustee (Elected), 2012-present

Provide Board oversight in the EESD, consisting of 18 schools and more than 12,000 students. Helped to lead successful bond measure and parcel tax measure campaigns in 2014. Helped direct new Board policies on Common Core and Local Control and Accountability Plan implementation. Provide direction with the Board over contractual collective bargaining agreements with all of our bargaining units.

Delegate Assembly Member, California School Boards Association, 2015-present

Lead on advocacy for the Santa Clara School Boards Association at the state level in conjunction with the California School Boards Association. Focus on state education legislation and related activities by the CSBA.

East Side Alliance Manager, Silicon Valley Education Foundation, 2014-2015

Wrote grants and marketing materials, and provided project, communications, and event support for the newly formed East Side Alliance in San Jose. Wrote the successful San Jose Learns Grant for \$260,000 to create an after school learning program for the Oak Grove School District.

Strategic Partnerships Associate, California Forward, 2014

Led business and community outreach and engagement for California Forward's various projects, including the California Economic Summit project. Managed strategic partnerships with regional economic development organizations throughout the state.

2019 Delegate Assembly Candidate Biographical Sketch Form

Due Monday, January 7, 2019 - no late submissions accepted

Please email your completed biographical sketch form to nomination@csba.org. An optional ONE-page, single-sided (4x6) size photo may be submitted, both will be accepted & may be received. Please do not date your resume and do not re-type this form. You will hold the responsibility to confirm that all nomination materials have been received by the CSBA Executive Office.

You are asked to indicate your consent to have your name placed on the ballot and to serve as a Delegate, if elected.

Signature: Rud Myers

Date: 1/3/2019

Name: Rud Myers

CSBA Region & subregion: 20

District: Sunnyvale School District

Years on board: 7

Profession: Trustee/Volunteer

Contact Number (please call Home Bus): 408-218-9293

Primary e-mail: rudmyers@sasd.org

(Optional - if you do not wish to list your e-mail)

Are you willing to be a Delegate? Yes No *If Yes, what year would you be a Delegate?* 2015

Why do you wish to be a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I have worked with our previous Delegate for several years and I would love the opportunity to serve another term. I have participated in various community relationships with board members from districts that I do not collaborate with them to make positive changes in 2017. I have served on the Nominations Committee and I hope to improve what we do as a Delegate rather than "recreate" the CSBA name and make a positive impact on the CSBA membership and help to make it more inclusive and representative of our district. I have worked with CSBA to help to make it more inclusive and representative of our district. I have worked with CSBA to help to make it more inclusive and representative of our district. I have worked with CSBA to help to make it more inclusive and representative of our district.

Please describe your activities and involvement in your local, regional, and/or CSBA. (Character count limit: 700)

I am a board member on my board and within CSBA. In my community, I facilitate city-wide meetings of neighborhood associations. I am on the board of the Sunnyvale Education Foundation, and I have chaired 2 successful parcel tax and 2 successful bond campaigns. I have also been President of my board twice in 7 years and I stay connected to our schools by talking to parents and visiting each of our schools annually. For SCOSBA, I have contributed as President, organized the Hoffmann Awards Legislative Brunch and other activities. Delegate Assembly helped me connect with our San Mateo County neighbors and a few of us worked with them to launch the CSBA-PAG Kick-off event.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

Although many districts have received more funding over recent years, we are still well below the national average with a cost of living that is out of control. With a new governor, we must continue to advocate for our students and ensure he has his priority on our future (our kids). Many school staff can't afford homes here and we need to find creative ways to help them come and stay. We also have a huge disparity of wealth and achievement in our schools and the opportunity gap persists. We must continue to find ways to support our students and close this gap. CSBA can continue to help us advocate and provide resources and training to give us tools to address the needs of all our students.

Email: nomination@csba.org, **or fax to:** (916) 371-3407, **or US Mail to:** CSBA | Attn: Executive Office | 3251 Beacon Blvd., West Sacramento, CA 95691. Please only submit biosketch form via one of these modes only; do not send multiple times. If you have any questions, please contact the Executive Office at (800) 266-3382.

Reid Myers

Outline of Experience, Education, and Service to the Community

2019 Delegate Assembly Candidate Biographical Sketch Form

DUE: Monday, January 7, 2019 – no late submissions accepted

Please complete, sign, and date this required ONE-page candidate biographical sketch form. An optional, ONE-page, single-sided, résumé may also be submitted; both will be copied exactly as received. Please do not state "see résumé" and do not re-type this form. It is the candidate's responsibility to confirm that all nomination materials have been received by the CSBA Executive Office.

Your signature indicates your consent to have your name placed on the ballot and to serve as a Delegate, if elected.

Signature: Nancy Newkirk Date: 1/7/19

Name: Nancy Newkirk CSBA Region & subregion #: 20~~27~~
 District or COE: Sunnyvale School District. Years on board: 23
 Profession: Early Childhood Educator Contact Number (please Cell Home Bus.): 408-720-1770
 *Primary E-mail: nancy.newkirk@sesd.org
 (*Communications from CSBA will be sent to primary email)
 Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: _____

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

CSBA draws upon delegates for its deeper work on policy and issue. My past service on Delegate Assembly and committee work has supported me in facilitating active living and healthy eating collaborative groups in Sunnyvale. With Gov. Newsom's priority in early care and education, I offer professional training and workforce experiences in a variety of early childcare programs. Serving on the Local Planning Council in Santa Clara brings current knowledge and connections with ECE community. I can share rich perspectives into delegate and CSBA policy decisions in a timely manner.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

In addition to my service as board president, my current community activities involve collaboration with partnerships: Safe Routes to Schools and Sunnyvale Collaborative for Healthier Youth. I have been engaged in education-related activities at the county level serving on Inclusion Collaborative and the Local Childcare Development Planning Council. At SCCSBA, I've been an active member for 20 years, serving as chair for hospitality legislative brunch and Hoffmann Awards. Currently I am a Hoffmann Awards reader. I was a past delegate for two terms. At the CSBA state level, I served on CCS task force for obesity, Student Health Advisory Committee, and focus groups.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

The biggest challenge is financial. Without adequate and stable funding, maintaining the programs and services needed to support the success of students is challenging. CSBA can help local districts in continuing advocacy for full and fair funding. The narrative about district retirement contributions needs to be aligned within the local context of monies and any increases in education dollars that the governor and legislature may propose.

E-mail: nominations@csba.org, or fax to (916) 371-3407, or US Mail to: CSBA | Attn: Executive Office | 3251 Beacon Blvd., West Sacramento, CA 95691. (*Communications from CSBA will be sent to primary email)

Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: 2018

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I welcome the chance to participate in the Assembly and contribute my voice and the experience of my community to the policy and governance decisions of CSBA. I have the ability to combine reason, emotional intelligence and a deep understanding of children's needs when participating in the discourse and decision-making that must happen to improve circumstances for our state's public school children. As a health educator and longtime public sector leader in the field of children's health and wellbeing, I believe myself to be well equipped to contribute meaningfully to CSBA deliberations.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

I currently serve as the President of the Morgan Hill USD. I have lived and worked in South San Jose and Morgan Hill for 18 years. Both of my two children have been attending schools in this district since kindergarten. I stay connected with my community in multiple ways. I volunteer and serve on committees for the AAUW Morgan Hill Chapter, the City of San Jose, the Santa Clara County Parks, the Children's Agenda Network, neighborhood associations, and other networks focused on making our community a safe and healthy place for kids.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

The greatest challenge to school boards is the shameful and utterly inadequate State funding levels for K-12 public education in California. My greatest hope is that CSBA will be successful in shining the spotlight on this abomination and coalescing citizens across the State to demand more money for public schoolchildren.

 (*Communications from CSBA will be sent to primary email)
 Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: 2015

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I want to ensure that the entirety of the 20th region has a voice on the delegate assembly. We have a vast area with a large and diverse population. We need to ensure that all voices are well represented. I know that the knowledge and skills that I have developed will serve the delegate assembly well in its deliberations. While I serve on the board, I also interact with my students at Evergreen Valley College. The vast majority of them are recent graduates of many of our schools. My students provide me perspective when I am going to make decision and allow me to advocate for them.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

I have served on the Alum Rock School Board since 2012. Aside from my school board activities, I serve as president of the Latino Leadership Alliance, a Silicon Valley based leadership development nonprofit. I have served as Chair of the San Jose International Airport Commission. Please see the attached resume for further details.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

At present we have a crisis in attracting more qualified teachers. The profession is losing more and more people and less and less are entering the profession itself. CSBA can take a leadership role in developing a statewide strategy in addressing this crisis. As local school board members, the crisis seems daunting. As a large and effective organization, CSBA has the wherewithal to develop a state and national level strategy to address this crisis.

 Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: 2000

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I am currently a Delegate from Region 20. During the times that I have served as a Delegate, I have been very involved with CSBA. I have served on three CSBA Committees which have included the Nominations Committee, the Platform Committee, and the Annual Education Planning Conference Committee. I have enjoyed the interactions with my fellow Delegates and have been proud to represent Region 20 at the Annual Delegate Assemblies. I have been active in our County School Boards Association and attend their monthly meetings where we discuss very pertinent issues in the field of education. I would very much like to continue being a Delegate if selected by my fellow County board members.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

On my School Board, I have been elected President 5 times by my fellow board members. I have been involved in the selection of three Superintendents for our School District. All have proven to be high effective educational leaders who have given the district effective leadership during their tenure in office. I enjoy working with my fellow board members to address the numerous issues that come before us throughout the school year. I have always taken the lead in welcoming new board members and helping them learn their job responsibilities so they can become effective board members for our district.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

There are many issues that we face in our districts and we look to CSBA to provide leadership and support in those areas. CSBA represents over 1,000 school districts in California and the leadership provided by CSBA is invaluable. We need CSBA to continue being an effective organization that assists school districts with pertinent information and the necessary training needed by school board members. The issues of adequate school funding, student achievement, school construction and the renovation of school facilities and school safety are just a few of the issues that school boards deal with on a yearly basis. That's why we need CSBA to be our voice in Sacramento and Washington, D.C.

Are you an Incumbent Delegate? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If yes, year you became Delegate: _____	

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I am an engineer entering my 13th year on a local school board and have seen first-hand the impact that state-level decisions have on elementary and high school students. I am eager to bring this K-12 perspective to Delegate Assembly as it advises CSBA leadership on future issues. Specifically in the realm of funding, I have chaired multiple parcel tax and bond campaigns to supplement inadequate state support and augment our students' educational opportunities. I have been involved locally with SCCSBA (currently treasurer), and state-wide via Masters in Governance and 12 Annual Education Conferences. I am an advocate for public education and would be honored to serve on Delegate Assembly.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

I served two terms on the Mountain View Whisman School Board (K-8) prior to joining MVLA (9-12) in 2014. I was re-elected this fall to a second term with MVLA. Across the 12 years, I have served as board president three times, served on executive boards/chaired parcel tax/bond campaigns, served as treasurer of SCCSBA (2006-08; 2018-19), completed Masters in Governance, and never missed an AEC. Locally, I have completed both Leadership Mountain View and Los Altos LEAD. I have also served on many district committees such as communications, policies, wellness, parent teacher conference, and the district partnership committee (collaborative problem solving group including admin/board/ unions).

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

Money. CA has the 5th largest global economy and ranks 41st in the nation in education funding. We need to find ways to increase funding to schools while more clearly delineating our responsibilities as school districts. Special education costs continue to creep into our general funds, with the more recent addition of student wellness. We currently staff 16 FTE to handle student wellness/mental health issues. While this is so important for kids, these monies are pulled away from general education. CSBA can help raise awareness of our ever-growing expenses and assist the state in drawing an appropriate box around district responsibilities such that we can succeed in educating every student.

E-mail: nominations@csba.org, or fax to (916) 371-3407, or US Mail to: CSBA | Attn: Executive Office | 3251 Beacon Blvd., West Sacramento, CA 95691.
