Hello,

Thank you for considering my application for the Measure B Parcel Tax Oversight Committee.

Since I arrived in Mountain View in 2013 I have been committed to doing all I can to help make our schools the best they can be. I believe that Mountain View Whisman Schools have been the perfect educational resource for my family and my son has grown and flourished in the schools in our city. I have served on the Measure G Bond Oversight Committee, I now also serve on the MVLA Bond Oversight committee, I was a co-chair of the Measure B campaign and I am currently co-chair of the Measure T Bond campaign. As such, it would be an honor to serve on this committee and commit to making sure the community has a transparent view of how well the district manages the funds our taxpayers have graciously provided in order to improve our schools and equip our teachers with the best tools for educating our children.

Thanks,

Cleave Frink
