#### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English Learners).

## Community & School Profile (School Year 2019-20)

Mountain View Whisman School District (MVWSD) is located in Mountain View, California, a suburban community of over 77,000 approximately 35 miles south of San Francisco. The award-winning district serves a diverse student population in preschool through eighth grade representing a wide range of ethnicities, languages, cultures, and economic status. The district serves more than 5,000 students in nine elementary schools and two middle schools. After graduating from middle school, students arrive prepared at the Mountain View-Los Altos Union High School District; one of the best in the state.

The District provides a broad curriculum that includes art, music (with community support from the Mountain View Educational Foundation), physical education, and specialized programs at some schools such as Spanish-English Dual Immersion (Mistral) and parent participation (Stevenson). Students and staff have ready access to technology in a 1:1 environment to enhance and support student learning as well as to support the work of teachers, principals, and district-level staff.

Within MVWSD, there is a culture of dedication and commitment to serving the students at all levels. The community is open and embraces the students, staff, and District. All stakeholders are willing to do what is required to improve students' learning experiences and outcomes. Our Profile of a Graduate seeks to capture what we want for our students as learners and citizens. The competencies and attributes are the center of our work and drive our teaching and learning experiences, community partnerships, and the key components of our strategic plan.

Community partnerships provide a wide range of support and enrichment for student learning including opportunities for after-school activities and field trips. A large percentage of parents are also engaged in supporting schools as volunteers, committee members, decision makers, and advocates for their children.

## Principal's Message

Landels Elementary School is the home of just under 500 Kindergarten through fifth grade students. Landels Elementary School serves a diverse population of students from the local Old Mountain View Neighborhood, and the greater Mountain View community. More than 20 languages are represented at Landels Elementary School with a substantial number of international students whose families have moved to the Silicon Valley for employment or academic pursuits. We truly embrace our diversity of culture and language. Landels exemplifies a professional educational community that provides an optimal learning environment for all levels of learners.

The staff, students, and community at Landels are committed to the mission of inspiring, preparing, and empowering every student on both an academic as well as social-emotional level. At Landels, we believe that we are a learning community that can accomplish great things together.

## School Attendance

Regular daily attendance is a priority at the school and is an important component of academic achievement. Attendance, tardy, and truancy policies are clearly stated and consistently enforced.

Parents are advised of their responsibilities, including proper notification of when and why students are absent. Attendance is monitored very closely with follow-up phone calls made by the school clerk. Parents are advised of excessive absences through letters and, if necessary, parent conferences. Those students who continue to exhibit excessive absences are directed to the appropriate authorities, including the local Student Attendance Review Board (SARB).

## School Facilities (School Year 2019-20)

Landels Elementary sits on 10.16 acres and has 22 permanent rooms on site. It has a multi-use room, library, two playgrounds, and front office space with a staff room.

## Cleaning Process

The principal works with the custodial staff to ensure classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

The District provides comprehensive cleaning standards and prioritization guidelines. Each custodial staff member receives job training to attain a thorough understanding of their individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

The custodial staff and principal inspect facilities for safety hazards or other conditions that need attention. They communicate daily regarding campus maintenance and safety issues. Restrooms are checked periodically throughout the day and cleaned as needed. Daily housekeeping and cleaning takes place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

## Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service with emergency repairs given the highest priority.

The District's maintenance department inspects facilities and operating systems at the school. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). The Mountain View Whisman School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

The chart shows the results of the most recent school facilities inspection (as of September 2019). While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

## Instructional Materials (School Year 2019-20)

The school district held a public hearing on September 19, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers, parents, and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in September 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

# Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) include computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA).

A new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS) has been developed. The California Standards Test and California Modified Assessment for Science are no longer administered. The new California Science Test (CAST) was piloted in spring 2017, field tested during the 2017–18 school year, and is now administered operationally. CAST results are not available for the current reporting period.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student’s academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student’s academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

This table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11).

California Assessment of Student Performance and Progress

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.*

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

### Physical Fitness (School Year 2018-19)

In the spring of each year, the school is required by the state to administer a physical fitness test to students in fifth grade. The Physical Fitness Test measures each student’s ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the “Healthy Fitness Zone” (HFZ).

Percentage of Students in Healthy Fitness Zone			
2018-19			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	31.6%	26.3%	14.5%

*\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

## Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Parent Involvement (School Year 2019-20)

Landels Elementary School benefits greatly from the involvement of parents and local community partnerships. There are several avenues in which parents may become involved: Parent Teacher Association (PTA), English Language Advisory Council (ELAC), School Site Council, and volunteering in the classrooms.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Discipline & Climate for Learning

Students at Landels Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Students are informed of school rules and discipline policies at the beginning of the year through expectation assemblies, school tours and classroom presentations. Parents are informed of school rules and discipline policies at the beginning of the year through Monday morning assemblies, PTA and principal’s coffee meetings, and Back to School Night.

Throughout the year, behavior expectation policies are reviewed in expectation assemblies every trimester or as needed. In addition, weekly Wednesday newsletters, monthly Principal Chats, Auto Dialer messages, Parent Education Nights, School Site Council, and Monday morning assemblies include positive climate messages and strategies.

## Suspensions & Expulsions

The table displays the suspension and expulsion rates for the past three years.

	Suspensions & Expulsions

## Safe School Plan (School Year 2019-20)

The safety of students and staff is a primary concern of Landels Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually by the principal, parents, and classified personnel. The plan was most recently updated and reviewed in March 2019. The plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

Students are supervised by teachers, the principal, and yard duty supervisors. The school enforces a closed-campus policy during school hours to ensure student safety. Visitors must sign in at the office, wear a visitor's badge at all times while on campus, and sign out upon leaving the school.

## Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## School Leadership

Leadership at Landels Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Staff leadership opportunities at Landels Elementary School include the School Site Council, English Learner Advisory Committee and School Grade Level Team Leads. The School Site Council is made up of staff and parents that serve as the governing body. This governing body helps develop the school achievement goals in our school site plan.

The Community Health Awareness Council (CHAC) provides three counseling interns to assist students with their emotional needs.

Currently, Landels employs a School and Community Engagement Facilitator and an At-Risk Supervisor who both proactively assist students and families with academic, social and emotional struggles.

## GATE

With the implementation of the Local Control Funding Formula, the state of California no longer provides specific funding for Gifted and Talented Education (GATE). Consequently, the District no longer formally assesses its students for GATE qualification. Nevertheless, MVWSD is committed to providing challenging and inspiring opportunities for gifted and talented students. Each school site receives District funding to support enrichment and extracurricular activities designed to challenge students. Examples of these activities at Landels are our after school LEAP (Landels Enrichment Activities Program) and Math Olympiad.

## Individualized Instruction

Special Education students receive support from a Resource Specialist Teacher and/or Aide, a Special Day Class Teacher and/or Aide, a psychologist, and/or other specialists as determined by their Individualized Education Plan (IEP). Teachers and assistants work with the special education students on a pull-out basis as well as within their classrooms. Students are mainstreamed whenever possible.

## English Language Learners

English Language Learners (ELL) receive specialized services and instruction in an environment conducive to maximizing English learning. Students are provided designated and integrated language instruction in learning groups defined by their English Language Proficiency Assessments for California (ELPAC) level. All teachers are trained in the Sheltered Instruction Observation Protocol and provide integrated English Language Development opportunities throughout the school day.

## Staff Development

All training and professional development at Mountain View Whisman School District revolve around providing the best education and comprehensive support for all students. The district sponsors six full staff development days annually where teachers and support staff are offered a broad-based variety of professional growth opportunities to enhance their teaching and support practices. As part of the growth process, additional opportunities for training and staff development are provided at both the district and individual school sites to both certificated and classified staff throughout the school year as well as during non-contracted times. Teaching skills are built and educational concepts developed by staff participating in many conferences and workshops throughout the year, and then sharing their experiences and knowledge with district colleagues. Staff members are encouraged to attend district sponsored training and professional development programs.

All students have access to the core curriculum.

Landels Elementary School provides dedicated time each day for intervention and enrichment through the school's Response to Instruction program. The District provides two additional teachers to support this initiative. Student progress is monitored through ongoing assessment and is conveyed to parents on report cards.
