Laura R. Berman

Measure B Parcel Tax Oversight Committee: Application Statement

My name is Laura Ramirez Berman and I am interested in serving on the Parcel Tax Oversight Committee for Mountain View Whisman School District.

First and foremost, I am a proud mom of a first and third grader at Gabriela Mistral. In the last four years, I have found a variety of ways to get involved and make a positive impact in our school community, including serving as School Site Council President, Walkathon Chair, Room Parent, Project Cornerstone facilitator, and Girl Scout Troop Leader.

Professionally, I have 20 years of experience in public education. A former classroom teacher and school administrator, I have a wide range of expertise in organizational leadership; professional and leadership development; curriculum, instruction and assessment; and budget and operations. I began my career in education as a second grade teacher at East Palo Alto Charter School ("EPACS"), where I also served as an instructional coach and principal. My responsibilities included managing the school budget; hiring, supervising, and evaluating all staff members; making curriculum decisions and creating professional development for the team.
