# Tech Coaching and Support 2020-2021

September 17, 2020

Mountain View  
Whisman  
School District

# What did we do over the summer?

- Created technology how-to videos for students and families in English and Spanish
- Revamped the [mvwsd.org/parentu](https://mvwsd.org/parentu) for distance learning
  - Parent U Distance Learning Event

Mountain View  
Whisman  
School District

# What did we do before the start of school?

- Rostered students in teachers' Google Classrooms and Seesaw classes
- Tested new programs (Squid Notes, Securly Classroom, Kami)
- Created and curated videos and resources for Teacher Training Portal for PD week

- [August Tech Newsletter](#) - updates and intro to new tech tools
- Site specific trainings with Tech Coach (Seesaw, Powerschool, Zoom, Google Classroom)
- Q&A session for teachers on Google Meet
  - 8/12

Mountain View  
Whisman  
School District

# What are we doing now?

- Continuing weekly Q&A Tech Support Hours for teachers on Zoom
  - 8/19 - 19 teachers
  - 8/25 - 24 teachers
  - 9/2 - 25 teachers
  - 9/9 - 13 teachers
- Coaching appointments with Tech Coach
- Meeting with Site Tech Leaders

- Monthly tech newsletters
- Surveying teachers to determine PD needs
- Organizing PD content to make it more accessible for teachers (Shared Drive, ServiceNow Knowledge Base, Training Portal)
- Creating content for teachers to use with students (troubleshooting, how-to)
