Re: Graham Middle School Safe Dispersal Lighting
Monte Loma Elementary School Safe Dispersal Lighting
HY #5564
Contract Modification No. 1

Dear MS. Westover:

Thank you for continuing to trust us with your projects. Per the recent Greystone West request, we are submitting this proposal for additional [Architectural and Engineering] Services. Our understanding is that you will be modifying our original scope of services by adding services for Graham Middle School and Monte Loma Elementary School Safe Dispersal Lighting designs and extending the services through construction administration.

PROJECT DETAILS

Scope of Work:

Your scope of work requirements have changed as follows:

The scope of services outlined below are the same for Graham Middle School and Monte Loma Elementary School Safe Dispersal Lighting.

Scope of Services to be provided by electrical:

- Site Survey of existing site electrical systems for power and lighting.
- Provide plans with new exterior light fixtures for illumination of safe dispersal area.
- Provide panel schedules for electrical work as required.
- Provide mounting and lighting controls details
- Provide lighting photometrics for area illumination. Photometrics shall be provided to DSA if required.
- Provide exterior lighting Title 24 documentation as required
- Provide electrical specifications including materials and installation requirements.
- Coordinate drawings requirement with client and DSA plan check and review.
- Answer bid questions.
- Answer Requests for Information (RFIs) during construction.
- Review Submittals and Shop Drawings.
- Final punch list at end of project.

Scope of Services to be provided by Architectural:

- Coordinate client review comments and electrical documents for DSA approval, bidding and construction.
- Construction support services
- Project closeout
