2019-20 School Accountability Report Card

Published in the 2020-21 School Year

District Mission Statement

We inspire, prepare and empower every student.

District Vision Statement

Every student, family, staff and community member is engaged and committed to learning in a collaborative, diverse and innovative partnership.

District Goals

- Student Achievement: Every student will be prepared for high school and 21st Century citizenship.
- Inclusive + Supportive Culture: All will feel valued and supported while working, learning, and partnering.
- Achievement Gap: Achievement gaps will be eliminated for all student groups in all areas.
- Human Capital: MVWSD will invest in teachers, leaders, and staff to ensure we are the place talented educators choose to work.
- Resource Stewardship: Stakeholders will have access to resources in a fiscally responsible manner.

District Administration

The district is led by Superintendent Dr. Ayindé Rudolph. Community members may contact Dr. Rudolph by either calling the district office at (650) 526-3500 or sending an email to supt@mvwsd.org. The district's leadership team consists of Chief Business Officer, Dr. Rebecca Westover; Chief Academic Officer, Cathy Baur; and Interim Chief Human Relations Officer, Tara Vikjord.

Dr. Rudolph has been the Superintendent since 2015. He has a Doctorate in Education in Leadership, Policy and Organizations from Vanderbilt University. He also holds an Educational Specialist degree in Educational Leadership and Administration as well as a Master of Education in Secondary Education from George Washington University. He earned his Bachelor of Arts in History from Wittenberg University.

Board of Education

The Mountain View Whisman School District's Board of Trustees functions as the legislative body of the district and establishes the vision, goals and policies by which the school district is operated. Residents of the District are eligible to run for election to overlapping four-year terms. Trustees are elected by the registered voters of the district. The elected members of the MVWSD Board of Trustees are here to serve the community. Community members may contact trustees by either calling (650) 526-3552 or sending an email to trustees@mvwsd.org. Laura Blakely, Christopher Chiang, Devon Conley, Jr., Laura Ramirez Berman, and Ellen Wheeler are serving as trustees for the Mountain View Whisman School District.

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English Learners).

California School Dashboard

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. Senate Bill 98 suspended the reporting of state and local indicators on the 2020 California School Dashboard and only limited data and information will be posted for the 2020-21 school year. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

Community & School Profile (School Year 2020-21)

Mountain View Whisman School District (MVWSD) is located in Mountain View, California, a suburban community of over 77,000 approximately 35 miles south of San Francisco. The award-winning district serves a diverse student population in preschool through eighth grade representing a wide range of ethnicities, languages, cultures, and economic status. The district serves more than 5,000 students in nine elementary schools and two middle schools. After graduating from middle school, students arrive prepared at the Mountain View-Los Altos Union High School District; one of the best in the state.

The District provides a broad curriculum that includes art, music (with community support from the Mountain View Educational Foundation), physical education, and specialized programs at some schools such as Spanish-English Dual Immersion (Mistral) and parent participation (Stevenson). Students and staff have ready access to technology in a 1:1 environment to enhance and support student learning as well as to support the work of teachers, principals, and district-level staff.

Within MVWSD, there is a culture of dedication and commitment to serving the students at all levels. The community is open and embraces the students, staff, and District. All stakeholders are willing to do what is required to improve students' learning experiences and outcomes. Our Profile of a Graduate seeks to capture what we want for our students as learners and citizens. The competencies and attributes are the center of our work and drive our teaching and learning experiences, community partnerships, and the key components of our strategic plan.

Community partnerships provide a wide range of support and enrichment for student learning including opportunities for after-school activities and field trips. A large percentage of parents are also engaged in supporting schools as volunteers, committee members, decision makers, and advocates for their children.

Principal's Message

A California Distinguished School, Monta Loma Elementary is committed to challenging students to reach their academic and social potential to prepare them for success in the world ahead. We provide opportunities for children to develop a positive attitude toward school and learning. Teachers challenge students to think critically, solve problems, communicate effectively, and collaborate with peers. Our teachers participate in professional development and collaborate with each other to continually improve instructional practice, plan engaging lessons, and provide differentiation for all learners.

At Monta Loma, our staff, students, and families work together in order to provide a safe and caring environment for all students based on our core values of Respect, Responsibility, Courage, Compassion, and Hard Work. Our core values are the heart of our school climate and are what guides our behavior and actions in each and every classroom. Students are recognized for demonstrating our core values throughout the year with weekly Leopard Spot Winners and monthly Leopard Leader Awards.

Families are a critical component of successful students and we warmly welcome them to participate in their child's educational experience. We emphasize parent engagement through a variety of community building events, parent education, and opportunities for parents to contribute to the greater school community. Our goal is for all families to participate in some manner in their child's education during the course of the year, with a target of attending 5 events per family per year. Participation may include volunteering at events or in the classroom, attending PTA, ELAC, Site Council, or other school meetings, and much more.

School Attendance

Regular daily attendance is a priority at the school and is an important component of academic achievement. Attendance, tardy, and truancy policies are clearly stated and consistently enforced.

Parents are advised of their responsibilities, including proper notification of when and why students are absent. Attendance is monitored very closely with follow-up phone calls made by the school clerk. Parents are advised of excessive absences through letters and, if necessary, parent conferences. Those students who continue to exhibit excessive absences are directed to the appropriate authorities, including the local Student Attendance Review Board (SARB).

The COVID-19 pandemic has created the necessity of schools to provide students with a quality education while maintaining the health and safety of all students and school staff. Currently, schools are providing distance learning instruction to all students. Students work with teachers from their school online. Teachers provide daily live interaction with students, using a variety of tools to help students learn and complete their assignments. Students are responsible for participating in group classes as well as completing work on their own. They are expected to complete and turn in all assignments for grading.

School Enrollment

These charts display school enrollment broken down by grade and student group.

Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	18-19	19-20	20-21	20-21
Fully Credentialed	22	18	18	270
Without Full Credentials	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies

School Facilities (School Year 2020-21)

Monta Loma Elementary sits on 10.28 acres and has 27 permanent rooms. It also has a multi-use room, library, two playgrounds, and front office space with a staff room.

Cleaning Process

The principal works with the custodial staff to ensure classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

The District provides comprehensive cleaning standards and prioritization guidelines. Each custodial staff member receives job training to attain a thorough understanding of their individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

The custodial staff and principal inspect facilities for safety hazards or other conditions that need attention. They communicate daily regarding campus maintenance and safety issues. Restrooms are checked periodically throughout the day and cleaned as needed. Daily housekeeping and cleaning takes place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

Additionally, the school has a COVID-19 checklist and the principal updates the health and cleaning protocol every week. This document is uploaded on the school website.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service with emergency repairs given the highest priority.

The District's maintenance department inspects facilities and operating systems at the school. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). The Mountain View Whisman School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

The chart shows the results of the most recent school facilities inspection (as of September 2020). While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Instructional Materials (School Year 2020-21)

The school district held a public hearing on September 17, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers, parents, and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in September 2020 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA). Additionally, the new California Science Test (CAST) based on the Next Generation Science Standards for California Public Schools (CA NGSS) was first administered operationally in the 2018–2019 school year.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

Due to the COVID-19 pandemic, Executive Order N-30-20 was issued in the spring of 2020. This order waived the requirement for statewide academic testing of Mathematics, English Language Arts, and Science for the 2019–2020 school year. The most current data available to report is from the 2018–19 school year and is reflected in the tables.

The first table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2017	2018	2019	2017	2018	2019	2017	2018	2019
English Language Arts/Literacy (Grades 3-8 and 11)	50	62	57	66	68	71	48	50	50

Science (Grades 5, 8, and 10)	--	--	37	--	--	54	--	--	30

The second table displays information on overall student achievement of the school by subject for student groups with all grade levels combined.

California Assessment of Student Performance and Progress

Socioeconomically Disadvantaged	99	98	98.99	1.01	37.76	98	98.99	1.01	24.49
English Learners	78	77	98.72	1.28	35.06	77	98.72	1.28	27.27
Students with Disabilities	33	31	93.94	6.06	32.26	31	93.94	6.06	12.90

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2019-20)

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student’s ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the “Healthy Fitness Zone” (HFZ).

The table displays the percent of students at the school meeting fitness standards by grade level, for the most recent testing period. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued. This order waived the requirement to administer the physical fitness performance test results for the 2019–2020 school year. The most current data available to report is from the 2018-19 school year and is reflected in the table. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

Percentage of Students in Healthy Fitness Zone			
2018-19			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	30.4%	14.5%	10.1%

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent Involvement (School Year 2020-21)

In typical school years, Monta Loma Elementary School proudly encourages parent participation. We believe that parents are an essential component of the school community. Parents and family members have many opportunities to participate at school including, but not limited to volunteering in the classroom, participating with the Parent Teacher Association (PTA), School Site Council (SSC), or English Learner Advisory Committee (ELAC), and attending after-school, evening, and weekend events. Staff hosts information nights for curricular areas and topics of interest each year.

This year, the school is following guidelines in order to best replicate parent and community volunteerism while adhering to current COVID-19 restrictions.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Students at Monta Loma Elementary School are expected to behave in a manner that demonstrates our core values of Respect, Responsibility, Courage, Compassion, and Hard Work. School and classroom rules are all guided by these values. Parents and students are informed of school rules and discipline policies through the parent handbook, which is available in English and Spanish.

The school focuses on building student's abilities to recognize different feelings and identify strategies to address them. The school day has mindfulness moments built into it. Monta Loma Elementary School implements Responsive Classroom practices as part of our positive campus climate plan, with an emphasis on classroom meetings, interactive modeling, logical consequences, and positive teacher language. Our goal is to create positive and safe classroom climates where students can take risks, self-reflect, and self-advocate.

Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 suspensions and expulsions rate data are not comparable to prior year data. Since there was not in-person learning for the entire 2019–2020 school year, it would be inappropriate to make any comparisons of the suspensions and expulsions rates in the 2019–2020 school year to the rates in prior school years. Additionally, please note that the suspension and expulsion rate for the state was not available at time of publication.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	17-18	18-19	19-20	17-18	18-19	19-20
School	1.04	0.90	0.52	0.00	0.00	0.00
District	1.05	1.30	0.86	0.00	0.00	0.00
State	3.51	3.50	N/A	0.08	0.10	N/A

Safe School Plan (School Year 2020-21)

The safety of students and staff is a primary concern of Monta Loma Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually by the School Site Council, parents, and faculty. The plan was most recently updated and reviewed in March 2020.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised before and after school by teachers and the principal. Noon duty supervisors provide supervision during lunch. The school enforces a closed-campus policy during school hours to ensure student safety. Visitors must sign in at the office, wear a visitor's badge at all times while on campus, and sign out upon leaving the school.

During the COVID-19 pandemic, protecting the health and safety of our staff, students and families is a priority. MVWSD has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

School Leadership

Leadership at Monta Loma Elementary School is a responsibility shared among district administration, the principal, faculty, staff, students, and parents.

Staff leadership opportunities at Monta Loma Elementary School include the Leadership Team, District Committees, ELAC, and School Site Council representatives. Staff also engages in leading programs and informative events for families.

Additionally, students regularly plan and lead community events such as Spirit Days and community service projects that support the community beyond our school campus.

Class Size

The table indicates the average class size by grade level, as well as the number of classrooms that fall into each size category.

Counseling & Support Staff (School Year 2019-20)

It is the goal of Monta Loma Elementary School to assist students in their social and personal development as well as academics. The school gives special attention to students who experience academic achievement struggles, difficulty coping with personal and family problems, trouble with decision-making, or handling peer pressure. The Community Health Awareness Council (CHAC) provides one counseling intern to assist students with their emotional needs. Currently, Monta Loma Elementary School employs a School and Community Engagement Facilitator and an At-Risk Supervisor who proactively assist students and families with academic, social and emotional struggles.

The table lists the support service personnel available to students at Monta Loma Elementary School. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Community Engagement Facilitator	1	1.0
Library Technician	1	0.875
Nurse	1	As Needed

GATE

With the implementation of the Local Control Funding Formula, the state of California no longer provides specific funding for Gifted and Talented Education (GATE). Consequently, the District no longer formally assesses its students for GATE qualification. Nevertheless, MVWSD is committed to providing challenging and inspiring opportunities for all our students based on their individual needs, including our gifted and talented students. At Monta Loma, we have built into our school day, opportunities for each students' individualized needs met. Each school site receives District funding to support enrichment and extracurricular activities designed to challenge students.

Individualized Instruction

Special Education students receive support from a Resource Specialist Teacher and/or Aide, a psychologist, and/or other specialists as determined by their Individualized Education Plan (IEP).

English Language Learners

English Language Learners (ELL) receive specialized services and instruction in an environment conducive to maximizing English learning. Students are provided designated and integrated language instruction in learning groups defined by their English Language Proficiency Assessments for California (ELPAC) level. All teachers are trained in the Sheltered Instruction Observation Protocol and provide integrated English Language Development opportunities throughout the school day.

Staff Development

All training and professional development at Mountain View Whisman School District revolve around providing the best education and comprehensive support for all students. The district sponsors six full staff development days annually where teachers and support staff are offered a broad-based variety of professional growth opportunities to enhance their teaching and support practices. As part of the growth process, additional opportunities for training and staff development are provided at both the district and individual school sites to both certificated and classified staff throughout the school year as well as during non-contracted times. Teaching skills are built and educational concepts developed by staff participating in many conferences and workshops throughout the year, and then sharing their experiences and knowledge with district colleagues. Staff members are encouraged to attend district sponsored training and professional development programs.

Curriculum Development

All curriculum development at Monta Loma Elementary School revolves around the California Common Core Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels. Faculty, subcommittees, the School Site Council, Parent Focus Groups, English Learner Advisory Committee (ELAC), and the principal evaluate the school's curriculum continuously using assessment data, district benchmarks, and pacing guides. All students have access to the core curriculum. Monta Loma Elementary School provides dedicated time each day for intervention and enrichment through the school's Response to Instruction program. The District provides an additional teacher to support this initiative. Additionally, What I Need (WIN) Time is built into the master schedule for regular ELD instruction.

Student progress is monitored through ongoing assessment and is conveyed to parents in a variety of ways including: during parent/teacher conferences held in January, through report cards that are sent home at the end of each trimester as well as through the parent portal where parents can view assessment results at the end of each trimester. The principal and individual staff members also discuss student's assessment data as needed and appropriate.

Extracurricular Activities

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. Monta Loma Elementary School offers the following activities for its students:

- After-school Art Program
- Beyond the Bell
- Chess Club
- Chorus
- Classroom Enrichment
- Coding
- Drama
- Garden Club
- Learning Labs
- Lego Robotics Club
- Living Classroom
- Police Academy League (PAL)
- Right at School
- Sports, including, soccer, basketball, and yoga
- Student Council
- Talent Show
- Tech Museum of Innovation Tech Challenge
- YMCA

During the COVID-19 pandemic extracurricular activities are limited to those that can be done safely, while adhering to current COVID-19 restrictions.

Student Recognition

It is Monta Loma Elementary School's goal to recognize students for exemplifying the core values of Respect, Responsibility, Courage, Compassion, and Hard Work. Students who are "spotted" demonstrating a core value are given "Leopard Spots" that can be used in the student store. Additionally, each month two students from each classroom are recognized at our Monday Launch for exemplifying the core value of the month. Every trimester one student per grade level is recognized as a Leopard Leader for demonstrating all five values consistently.

Technology Resources

Every student in grades TK-8 has been issued a touch-screen Chromebook. Students in grades TK-2 have Chromebook carts in the classroom that they can use when they are at school. Students in grades 3-8 bring their Chromebook to and from school. Every classroom teacher has an Apple MacBook Air laptop and an iPad. Every classroom has a 75-80 inch TV with a wireless presentation device that teachers or students can connect to from a variety of devices. Every classroom has a 801.11 AC wireless access point to provide wireless access to the network. Students and teachers access District software through a centralized single sign on (SSO) portal. Students in grades TK-2 can use QR code badges to quickly sign in to the portal.

Library Information

Monta Loma Elementary School's library, staffed by a part-time library technician, is stocked with more than 10,000 books that are available for students to check out. Students visit the library weekly with their class and can access the library during recess. Additionally, we have increased our collection and accessibility with the purchase of e-books.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Mountain View Public Library, which contains numerous computer workstations.

District Revenue Sources (Fiscal Year 2019-20)

In addition to general state funding, Mountain View Whisman School District receives state and federal funding for the following categorical, special education, and support programs:

- Title I
- Title II, Part A (Teacher & Principal Training & Recruiting)
- Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement Act)
- Title IV

District Expenditures (Fiscal Year 2018-19)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>.
