Book Report: Just as I recommended Joanna Ho's young children's book *Eyes That Kiss in the Corners*, I followed up on this author by attending a virtual event at Keplers Book Store in Menlo Park to learn about her latest book titled *Playing at the Border – A story of Yo Yo Ma*. Yo Yo Ma is an internally known cellist who makes a point to professionally learn about and showcase music and musicians from all over the world. Here is a descriptor of this book: "Staying true to himself, Yo-Yo Ma performed at the US-Mexico border at the Rio Grande on April 13, 2019, as part of his multi-continent "Bach Project" tour to prove a point—through music, we can build bridges rather than walls between different cultures."
