This form can be expanded and is not limited to a single page.

Key Findings from Parent Surveys	Action Steps (Including communication, training, schedule, space, instructional materials, and supervision changes)	Expected Completion Date and/or Ongoing Implementation and Persons Responsible	Follow-Up and Reflection (Changes made, date completed, time extended)
<p>Paper surveys were given to all 76 enrolled families during a materials distribution day. We received 69 survey responses. Of the 69 surveys received, 100% of parents indicated that they were either "satisfied" or "very satisfied" with the preschool program.</p> <p>Written parent comments on DR surveys was overwhelmingly positive and supportive. Parents were pleased with the online learning being</p>	<p>While we are very pleased with positive parents responses on the surveys, we will look for ways to continue with what staff perceived as positive changes to family engagement that were made during distance learning. Some of the practices that were added or modified during distance learning that we will retain during in-person instruction are:</p> <ul style="list-style-type: none"> • Share more information about weekly learning objectives with parents, explanations on what the objectives mean, and ways parents can support those learning objectives at home. • Send parents Ready Rosie videos which give brief examples of fun and practical learning activities parents 	<p>We will implement or initiate the start of these ongoing action steps in the Fall of 2021. Classroom staff and the Preschool Director will be responsible for working together to follow-through on actions steps.</p>	<p>As of September 30, 2021, the following actions steps have been implemented:</p> <ul style="list-style-type: none"> • Teachers send out monthly newsletters summarizing the weekly/daily learning objectives, ideas for practicing at home, and Ready Rosie videos. • Preschool Community Newsletters have

<p>provided. Comments mentioned appreciation for class/curriculum organization as well as teacher empathy, patience, and hard work.</p>	<p>can do at home with their children, during their regular routines. Teachers will align the Ready Rosie videos they send home with weekly learning objectives.</p> <ul style="list-style-type: none"> • Provide parents with monthly preschool program newsletters (Preschool Community Newsletter), instead of quarterly. • Continue to facilitate monthly Preschool Community Meetings (like a Principal's Coffee) with parents, providing opportunities for parents to ask questions and have a dialogue with the Preschool Director and classroom staff. • Continue with virtual options for family engagement (such as conferences, meetings, parenting classes) which provide parents with greater flexibility and opportunities to participate. • Create a presence on social media (such as Facebook) to support engagement and communication with families. 		<p>gone out to parents each month via email.</p> <ul style="list-style-type: none"> • Several family engagement events have been held virtually (Welcome Social, Back to School Night, Triple P classes for parents, etc.) • The Preschool Facebook page is now live and the first posts were made on September 29th.
<p>Some comments were made as to the lack of relevance of many the mandated questions on the DR Parent Survey.</p>	<p>We will engage members of the Preschool Parent Advisory Committee (PPAC) in developing supplementary questions for the Parent Survey. What do parents want us to know? What would they like to give feedback on in the survey?</p>	<p>We will work ask PPAC members for input on supplementary parent survey questions in the Fall of 2021 with a plan to include them in the DR surveys that will be distributed in December/January.</p>
