Job Name- Portable Building Disconnect

Billing Address-1400 Montecito Ave, Mountain view

To- Mountain View Whisman School District (Attn) Rebecca Westover

Description of work- Booth Electric Inc is pleased to offer this quote for the above referenced project per site walk on 3/30/22

Includes- (Bubb Elementary School, 525 Hans Ave)

- Disconnect and remove all power, communication and fire alarm feeds to (2) portable buildings.
- Remove all exterior conduit from (2) portable buildings.
- Remove existing wire for power, communication and fire alarm back to the closest in-ground junction box.
- Remove existing IDF cabinet from exterior portable wall and return cabinet and equipment located inside to school district.
- Remove and dispose of the existing sub panel located on the exterior of the portable.
- Remove and disconnect any power, communication, or fire alarm connections between the (2) portable and the sub surface that the portables are mounted to.
- Cut all conduits feeding the portable building flush to grade.

Total cost -

\$ 7,610.00

Clarifications-

- Permits, fees and inspections through City or County having jurisdiction not included.
- All IDF cabinets and equipment to be returned to school district.
- We assume to have full access to portable classrooms the day of scheduled work.
- We will need access to electrical rooms that feed portable classrooms to turn off breakers that feed portables.
- We exclude all painting, patching, and cutting of concrete, wood, sheetrock, asphalt siding conduit, and any other surface affected by the work.
