

# Future Growth Considerations and Solutions

August 18, 2022

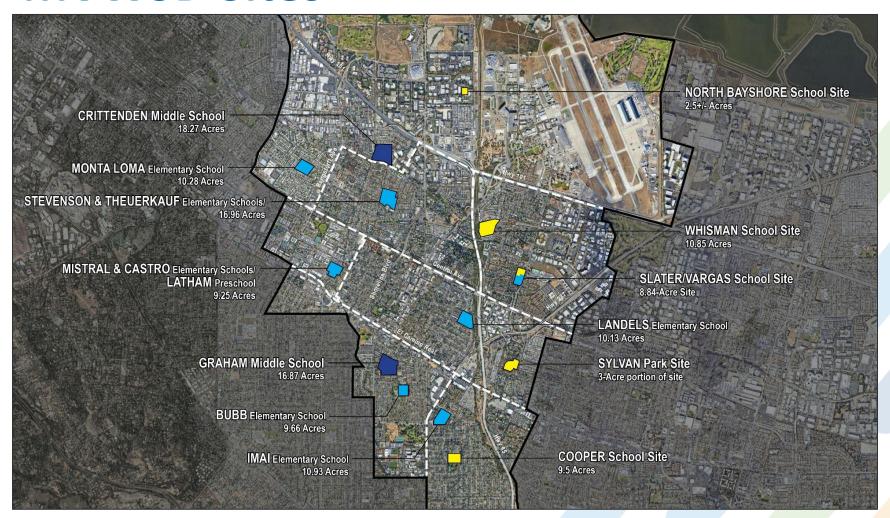

#### **STRATEGIC PLAN 2027**

- Goal 5
- Equitable distribution of resources that support student success
- Goal 5a: Ensure facilities and resources equitably serve all students

# Growth

### **MVWSD Sites**

#### **FUTURE GROWTH**

#### Residential Growth

- Short-Term (<5 years): 6,503 units Approved, under review, under construction (Dec 2021)</p>
- Long-Term (<20 years): 10,978 units North Bayshore, Middlefield Park, NASA Research Park</li>

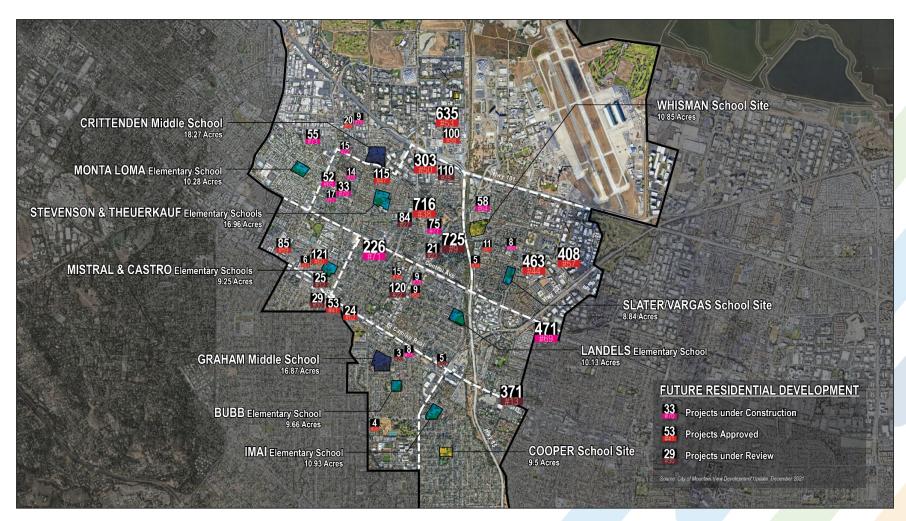

#### Short-Term Growth

- Concentrated in East Whisman, Middlefield Rd., Shoreline Blvd.
- Will impact Monta Loma, Vargas, Theuerkauf & Crittenden

#### Long-Term Growth

- Concentrated in North Bayshore & East Whisman
- Will impact Monta Loma, Vargas & Crittenden

### **Short-Term Growth: Residential**

### **Future Growth: Enrollment**

#### Short-Term Growth (Residential Projects, Development Update Dec 2021, City of Mountain View)

# **Long-Term Growth: Residential**

# **Long-Term Growth: School Sites**

#### **Future Growth**

Long-Term Growth Google North Bayshore, Google Middlefield Park, NASA Research Park (Moffett Field/CRC)

- 20-year development horizon
- Growth concentrated in north and northeast
- Growth will affect schools differently
- Without boundary changes, Monta Loma, Vargas & Crittenden severely affected
- Growth will exceed capacity at these schools

  Monta Loma (<346%), Vargas (<130%), Crittenden (<171%)

### **Future Growth: Enrollment**

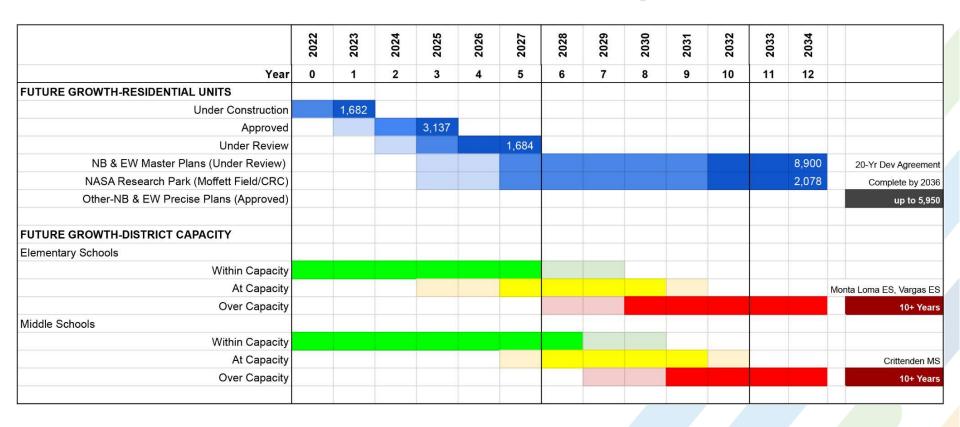

Long-Term Growth Google North Bayshore & Middlefield Park Master Plan, NASA Research Park (Moffett Field)

# **10-Year Program for Growth**

**Short-Term** 

Long-Term

#### **Possible Solutions for Future Growth**

#### **Long-Term Growth Strategies: Revise Boundaries**

- Address growth and capacity challenges without additional land or new facilities
- Maximize use of school sites
- Redistribute enrollment for 100% capacity at each school site
- Base on long-term growth projections
- Establish process and criteria for review

#### **Possible Solutions for Future Growth**

#### **Long-Term Growth Strategies: 10-Year Program**

- Construct new North Bayshore Elementary School
- Expand Slater/Vargas Elementary School
- Expand Crittenden Middle School
- Relocate District services from middle school campuses
- Create a centralized Child Nutrition & MOT plant
- Monitor pace of redevelopment in North Bayshore and East Whisman
- Identify timetable to end Whisman lease before 2045

  5-year notice required to terminate lease early

# Additional District Demands on Sites

#### **Centralized Demands on District Assets**

- Food Service Program Expansion
- Maintenance, Operations, Transportation (MOT)
- Preschools
- Special Education
- Other Programs and Lessees

# **Assets & Opportunities: Short-Term**

**Cooper School Site** 

Slater/Vargas School Site

**Whisman School Site** 

#### **Food Service**

- Growth recent increase from 3,300 to 5,600 meals (2019-to-2022), future growth to 8,000 meals
- Scratch preparation of meals
- Critical daily process flow management just in time logistics
- Existing kitchen/storage facilities undersized
- Extensive operational workarounds Food Prep, Storage, Staging/Distribution
- Need right-sized/purpose-built Central Kitchen

# **Food Service-Proposed Space Program**

	EXISTING		FUTURE (NET)				FUTURE	(GROSS)			
Central Kitchen-Uses	Width	Length	Existing Area	Program Req't	Low	High	Net-to- Gross Factor	Low	High	Program Request Note

								0.8	1.0	Acres	
EXISTING Total	52.75	62.00	3,270	Bldg 800-Existii	ng Crittenden Kitch	en including Sna	ck Bar (exclu	des Food Servery,	Dining Hall)		
			1.26	Existing Net-to-	Gross						

# Maintenance, Operations, Transportation (MOT)

- Light industrial uses
- Occupies land otherwise available for middle school expansion
- Split at two sites Graham MS & Crittenden MS
- Poor access through residential neighborhoods
- Undersized, inability to grow at existing locations
- Uses incompatible with existing low-density residential neighborhoods

# Maintenance, Operations & Transportation (MOT)

	EXISTING	FUTURE				
Shop	3,700 sf	6,700 sf				
Warehouse	6,500 sf	10,300 sf				
Office/Staff	1,300 sf	1,800 sf				
Covered Storage	0 sf	5,000 sf				
TOTAL-FACILITIES	<b>11,200</b> sf	23,800 sf				
Exterior-Vehicles		11-Buses, 1-Box Truck, 3-Tow/Trailers,				
Exterior-Parking		15 Parking Stalls (District Vehicles)				
Exterior-Waste Area		Equal to 2-40' Containers (Green, Regular)				
TOTAL-SITE	1.2 acres	<b>3.0 acres</b> Based on 20% lot coverage				

#### **Preschools**

- Existing: 3 Sites/192 students
  Graham (1 Classroom), Theuerkauf (3 Classrooms), Latham (4 Classrooms)
- Existing: Latham site ideally located for State program
- Opportunity: Montecito Site Former District Office
- Opportunity: Montecito Preschool Scenario
  - Up to 7 Classrooms 5 Part-Day, 2 Full-Day
  - Ideal Configuration for Preschool Campus
  - Renovations required to install restrooms in classrooms
  - Up to 192 students 162 Part-Day, 30 Full-Day

# Things to consider

# 10-Year Program: Gaps & Opportunities

#### Gaps (Condition, Capacity, Configuration)

- Condition: addressed by Measure G & T projects
- Capacity: Monta Loma/Vargas/Crittenden (long-term),
   Theuerkauf, Central Kitchen, MOT
- Configuration: Crittenden, Latham Preschool, MOT

#### **Opportunities**

- Leased properties returning to District Slater, Whisman, Cooper
- Montecito Site Available
- North Bayshore Site Pending
- Other District land at Middle School Sites Dependent (Food Service & MOT)

# Things to consider: Boundaries

- The impact of past short-term decisions about school programming may have an impact on some of our decisions, but these decisions are either reversible, or can be mitigated
- Previous approaches to boundaries need to be streamlined to keep pace with growth changes

# Things to consider: Funding

- MVWSD is currently dependent on lease revenue
- Support for various funding options is contingent on cohesive plan of action that utilizes all available resources
- Reducing our land needs will help minimize funding requests (Mello Roos, Bonds, Contributions)
  - Options like Mello Roos could potentially have a deleterious impact on new housing in Mountain View and create RHNA issues

# **Next Steps**

## Addressing growth - Recommendations

- Look at all funding sources, including the impact of lost tax revenue from the Shoreline Redevelopment district and determine which option fits best
- Staff is seeking approval to hire a consultant to examine current boundaries and make recommendations on how to maximize school sites
- Utilize existing contracts continue to work on developing a plan of action to consolidate central services and explore expansion opportunities

## Addressing growth - Recommendations

- Develop an engagement strategy to collect stakeholder feedback for Trustee deliberation
- Engage current leaseholders to ascertain their long term plans and present possible options for site utilization
- Update the Masters Facility plan to include a clear plan of action for boundaries changes, facility utilization, site acquisition and/or reclamation, and expansion
