## Thank you for considering Samsara

The Samsara platform provides real-time visibility, AI safety programs, and powerful analytics that enable customers to increase the safety, sustainability, and efficiency of their operations. A solution for your business is proposed below.

### What is included?

Samsara's connected operations solution may include cellular gateways and/or other hardware devices, hardware accessories, and a per-device license. Licenses provide all applicable ongoing elements of the service, including:

- Real-time sensor data
- Cellular data connectivity for cellular gateways
- Access to the Samsara Hosted Software dashboard and mobile Apps
- Over-the-air software updates and Firmware upgrades
- API access for integration with 3<sup>rd</sup> party systems as they relate to your licenses
- Support and maintenance for Samsara Products
- Access to training resources

### Wifi Data Usage

The Enterprise Vehicle Gateway License (LIC-VG-ENT) includes up to 500MB per month of WiFi data. No other Vehicle Gateway license includes WiFi data, unless identified otherwise in this Order Form together with the magnitude of data included. Connectivity between the Vehicle Gateway and Samsara Software does not count towards the monthly WiFi data provision. Samsara reserves the right to limit access to personal entertainment streaming services. Data usage above the monthly threshold may result in the reduction of connection speeds, the restriction of connectivity, the interruption of connectivity, or some combination thereof. Restriction or interruption of connectivity will not impact the function of HOS Logs and the Samsara Software. Customer may track data usage from the Gateways page within the Settings section of the Samsara Hosted Software dashboard.

## Payment Terms

This order form includes a license fee for the Samsara Software associated with the Hardware to be paid annually beginning on the License Start Date and, if applicable, a one-time Hardware cost to be paid upfront as of the license start date. The annual fees are payable by recurring wire transfer. All transfers are subject to a 3% processing fee unless the wire transfer is initiated by Samsara via ACH, in which case the 3% processing fee will be waived. Late payments are subject to a 1.5% per month late fee. If license payments are delinquent by 60 days, Samsara may suspend the Service until late payments are remitted.

## License Term

The license term for the Samsara Software licenses purchased under this Order Form begins on the day Samsara activates the applicable Samsara Software license by providing you a claim number and access to the Hosted Software ("License Start Date"). If Hardware associated with a then-unactivated Samsara Software license will be shipped to you under this Order Form, such Samsara Software license will be activated on the day the Samsara Hardware ships. Notwithstanding the foregoing, if you are renewing the license term for a previously-activated Samsara Software license under this Order Form, the License Start Date for the renewal license term shall be the day that Samsara extends your access to the Hosted Software for the renewal license term. Samsara Hardware requires a valid license to function.

Samsara may ship Hardware under this Order Form subject to a schedule as mutually agreed between the Parties or as determined by Samsara. To the extent such Hardware is associated with then-unactivated Samsara Software licenses, the Samsara Software license term for each such Hardware device will start on the day that device ships regardless of the shipment schedule for the other such Hardware devices. If all such Hardware is shipped in one shipment, the license term for all such Hardware will be the full license term under this Order Form. If such Hardware is shipped in multiple shipments, only the license term of such Hardware in the initial shipment will be such full license term. The license term of the remaining such Hardware shipped after the initial shipment will be set to match the then-remaining license term of the initial shipment, so that the license term for all such Hardware under this Order Form expires on the same date. The total cost of the licenses for such Hardware shipped after the initial shipment will be pro-rated based on their actual license term, rounded up to the nearest month, as compared to the full license term under this Order Form. Certain payment amounts under this Order Form assume that the entire order is fulfilled at the same time and are subject to potential reduction based on the actual schedule of order fulfillment.

## Support and Warranty

Samsara stands behind its Products. Hardware Products that require a valid license to function come with a warranty that lasts as long as you maintain a valid license for such Hardware. All other Hardware Products, such as accessories, come with a one-year warranty, unless otherwise specified on the relevant Samsara data sheet. During the warranty period, Hardware exhibiting material defects will be replaced pursuant to our Hardware Warranty & RMA policy at [www.samsara.com/support/hardware-warranty](http://www.samsara.com/support/hardware-warranty).
