**SARC INFORMATION**

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.

- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.

- For additional information about the school, parents and community members should contact the school principal or the district office.

- To view our SARC online, please visit our website or scan the QR code above.

**DATAQUEST**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**CALIFORNIA SCHOOL DASHBOARD**

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

## DISTRICT STATEMENTS

### DISTRICT MISSION

We inspire, prepare and empower every student.

### DISTRICT VISION

Every student, family, staff and community member is engaged and committed to learning in a collaborative, diverse and innovative partnership.

### DISTRICT GOALS

#1 Effective and consistent instructional practices that meet the needs of all students.

#2 Student social emotional health.

#3 Inclusive and welcoming culture.

#4 Effective and engaged employees.

#5 Equitable distribution of resources that support student success

### DISTRICT ADMINISTRATION

The district is led by Superintendent Dr. Ayindé Rudolph. Community members may contact Dr. Rudolph by either calling the district office at (650) 526-3500 or sending an email to [supt@mvwsd.org](mailto:supt@mvwsd.org). The district's leadership team consists of Chief Business Officer, Dr. Rebecca Westover; Chief Academic Officer, Cathy Baur; and Chief Human Relations Officer, Tara Vikjord.

Dr. Rudolph has been the Superintendent since 2015. He has a Doctorate in Education in Leadership, Policy and Organizations from Vanderbilt University. He also holds an Educational Specialist degree in Educational Leadership and Administration as well as a Master of Education in Secondary Education from George Washington University. He earned his Bachelor of Arts in History from Wittenberg University.

### BOARD OF EDUCATION

The Mountain View Whisman School District's Board of Trustees functions as the legislative body of the district and establishes the vision, goals and policies by which the school district is operated. Residents of the District are eligible to run for election to overlapping four-year terms. Trustees are elected by the registered voters of the district. The elected members of the MVWSD Board of Trustees are here to serve the community. Community members may contact trustees by either calling (650) 526-3552 or sending an email to [trustees@mvwsd.org](mailto:trustees@mvwsd.org). Laura Blakely, Christopher Chiang, Devon Conley, Laura Ramirez Berman, and William Lambert are serving as trustees for the Mountain View Whisman School District.

## SCHOOL STATEMENTS

### PRINCIPAL'S MESSAGE

Landels Elementary School is the home of approximately 375 Kindergarten through fifth grade students. Landels Elementary School serves a diverse population of students from the local Old Mountain View Neighborhood, and the greater Mountain View community. More than 20 languages are represented at Landels Elementary School with a substantial number of international students whose families have moved to the Silicon Valley for employment or academic pursuits. We truly embrace our diversity of culture and language. Landels exemplifies a professional educational community that provides an optimal learning environment for all levels of learners.

The staff, students, and community at Landels are committed to the mission of inspiring, preparing, and empowering every student on both an academic level as well as social-emotional level. At Landels, we believe that we are a learning community where all students can learn. With a growth mindset, we can accomplish great things together!

### SCHOOL PROFILE

Mountain View Whisman School District (MVWSD) is located in Mountain View, California, a suburban community of over 77,000 approximately 35 miles south of San Francisco. The award-winning district serves a diverse student population in preschool through eighth grade representing a wide range of ethnicities, languages, cultures, and economic status. The district serves 4,500 students in nine elementary schools and two middle schools. After graduating from middle school, students arrive prepared at the Mountain View-Los Altos Union High School District; one of the best in the state.

The district provides a broad curriculum that includes art, music (with community support from the Mountain View Educational Foundation), physical education, and specialized programs at some schools such as Spanish-English Dual Immersion (Mistral) and parent participation (Stevenson). Students and staff have ready access to technology in a 1:1 environment to enhance and support student learning as well as to support the work of teachers, principals, and district-level staff.

Within MVWSD, there is a culture of dedication and commitment to serving the students at all levels. The community is open and embraces the students, staff, and District. All stakeholders are willing to do what is required to improve students' learning experiences and outcomes.

Community partnerships provide a wide range of support and enrichment for student learning including opportunities for after-school activities and field trips. A large percentage of parents are also engaged in supporting schools as volunteers, committee members, decision makers, and advocates for their children.

#### CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**TEACHER ASSIGNMENT**

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

#### SCHOOL FACILITIES

Landels Elementary sits on 10.16 acres and has 22 permanent rooms on site. It has a multi-use room, library, two playgrounds, and front office space with a staff room.

##### Cleaning Process

The principal works with the custodial staff to ensure classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

The district provides comprehensive cleaning standards and prioritization guidelines. Each custodial staff member receives job training to attain a thorough understanding of their individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

The custodial staff and principal inspect facilities for safety hazards or other conditions that need attention. They communicate daily regarding campus maintenance and safety issues. Restrooms are checked periodically throughout the day and cleaned as needed. Daily housekeeping and cleaning take place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

##### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service with emergency repairs given the highest priority.

The district's maintenance department inspects facilities and operating systems at the school. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1).

#### INSTRUCTIONAL MATERIALS

The school district held a public hearing on September 8, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most currently available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers, parents, and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

#### TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

#### PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

#### CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (-) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

**ASSESSMENT RESULTS**

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

**OTHER OUTCOMES**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student’s ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

2021-22 Physical Fitness Test Participation

**PUPIL ENGAGEMENT**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

**CHRONIC ABSENTEEISM**

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2021-22	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

#### PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### PARENT INVOLVEMENT

Mountain View Whisman School District is grateful for parent involvement. There are many ways parents can be involved with our schools. Some options include joining the Parent Teacher Association (PTA), running for School Site Council (SSC) and or joining the English Learner Advisory Committee (ELAC). Parents who wish to regularly volunteer on school campuses are required to complete a volunteer badge application through our Raptor system. Infrequent volunteers, those that are on our campuses less than three times per year, are required to present a valid ID and proof of COVID vaccination when signing in.

Landels Elementary School benefits greatly from the involvement of parents and local community partnerships. There are several avenues in which parents may become involved: Parent Teacher Association (PTA), English Language Advisory Council (ELAC), School Site Council, and volunteering in the classrooms.

#### SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### SCHOOL SAFETY

The safety of students and staff is a primary concern of Landels Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually in the fall by the School Site Council, parents, and faculty. The plan was most recently updated and reviewed in March 2022.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised by school staff and the principal.

Noon duty supervisors and other site staff provide supervision during lunch. Students may be dropped off and picked up from the front of the school. The school enforces a closed-campus policy during school hours to ensure student safety. Visitors must sign in at the office, wear a visitor's badge at all times while on campus, and sign out upon leaving the school.

Protecting the health and safety of our staff, students and families is a priority. MVWSD has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, availability of personal protective equipment, hygiene practices, testing, and responding to positive cases.

#### SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019-2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

#### OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit the Mountain View Public Library, which contains numerous computer workstations.

#### PROFESSIONAL DEVELOPMENT

All training and professional development at Mountain View Whisman School District revolve around providing the best education and comprehensive support for all students. The district sponsors six full staff development days annually where teachers and support staff are offered a broad-based variety of professional growth opportunities to enhance their teaching and support practices. As part of the growth process, additional opportunities for training and staff development are provided at both the district and individual school sites to both certificated and classified staff throughout the school year as well as during non-contracted times. Teaching skills are built and educational concepts developed by staff participating in many conferences and workshops throughout the year, and then sharing their experiences and knowledge with their colleagues. Staff members are encouraged to attend district sponsored training and professional development programs.

**COUNSELING AND SUPPORT SERVICES**

Landels Elementary School focuses not only on the academic achievement of students, but also their social and emotional development. The school prioritizes supports for students who are struggling academically, socially or emotionally. The Community Health Awareness Council (CHAC) provides two counseling interns to assist students with their emotional needs. CHAC also pushes into all classrooms to provide targeted SEL lessons that are age appropriate. Landels also employs a School and Community Engagement Facilitator to proactively assist students and families with academic, social and emotional struggles.

**SCHOOL AND DISTRICT EXPENDITURES**

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

#### CURRICULUM DEVELOPMENT

All curriculum development at the school revolves around the California Common Core Standards. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels. Faculty, subcommittees, the School Site Council, Parent Focus Groups, English Learner Advisory Committee (ELAC), and the principal evaluate Landels Elementary School's curriculum continuously using assessment data, district benchmarks, and pacing guides. All students have access to the core curriculum. Landels Elementary School provides dedicated time each day for intervention and enrichment through the school's Response to Instruction program. The district provides two additional teachers to support this initiative.

Student progress is monitored through ongoing assessment and is conveyed to parents in a variety of ways including: during parent/teacher conferences held in December, through report cards that are sent home at the end of each trimester as well as through the parent portal where parents can view assessment results including CAASPP and iReady reports. The principal and individual staff members also discuss student's assessment data in alignment with the district's data processes.

#### DISCIPLINE AND CLIMATE FOR LEARNING

All students in Mountain View Whisman school district access social-emotional learning opportunities where they cultivate, practice, and reflect on social and emotional competencies. Students in grades TK/Kindergarten, 1, 3, and 5 receive whole-class SEL instruction provided by a therapist from Community Health Awareness Council (CHAC). Students in grades 2 and 4 participate in Back Together, a beginning of the year arts program provided by CHAC that helps students manage anxiety, builds social connections and resilience, and celebrates wellbeing. Using the Sown to Grow program, students have weekly check-ins with their teacher, receive timely and supportive feedback, and monitor their own social-emotional learning throughout the year.

Students at Landels Elementary School follow the Landels Way. They exhibit behaviors that are safe, responsible and respectful and are guided by specific rules and expectations that promote kindness and inclusivity. The school uses the 12 Social-Emotional Learning (SEL) tools from the Toolbox Project to help reinforce positive behaviors and help students overcome challenges. Students receive explicit instruction on how and when to use each of the 12 SEL tools. The Principal and school staff introduce school rules, expectations and discipline policies at the beginning of the year and continue to reinforce them throughout the year. Parents are actively involved and are able to participate in a variety of ways, including PTA, principal's coffee meetings, Back-to-School Night, and in-person volunteer opportunities. The weekly newsletters also include positive behavior messages and strategies that parents can use at home.

#### SCHOOL LEADERSHIP

Leadership at Landels Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Staff leadership opportunities at Landels Elementary School include the School Site Council, English Learner Advisory Committee and School Grade Level Team Leads. The School Site Council is made up of staff and parents that serve as the governing body. This governing body helps develop and monitor the goals and actions in our school site plan.

#### LIBRARY SERVICES

Landels Elementary School's library, staffed by a part-time library technician, is stocked with more than 25,000 books that are available for students to check out. Students visit the library once a week with their class and can access the library before school and during recess and lunch.

#### TECHNOLOGICAL RESOURCES

Every student in grades TK-8 has been issued a touch-screen Chromebook. Students in grades TK-2 have Chromebook carts in the classroom that they can use when they are at school. Students in grades 3-8 bring their Chromebook to and from school. Every classroom teacher has an Apple MacBook Air laptop and an iPad. Every classroom has a 75-80-inch TV with a wireless presentation device that teachers or students can connect to from a variety of devices. Every classroom has a 801.11 AC wireless access point to provide wireless access to the network. Students and teachers access District software through a centralized single sign on (SSO) portal. Students in grades TK-2 can use QR code badges to quickly sign in to the portal.

#### STUDENT RECOGNITION

It is Landels Elementary School's goal to recognize students for their good work and to reinforce those behaviors which contribute to a positive learning community. There are many ways students can get recognized at Landels, including:

- ROAR Awards
- Fifth Grade Promotion
- Reclassification Celebration
- Reading Raffle
- Kinder Promotion

#### INDIVIDUALIZED INSTRUCTION

Students with an Individualized Education Plan (IEP) receive support from an Education Specialist Teacher, Instructional Assistant, a psychologist, and/or other specialists as determined by their IEP. Support may be provided by pushing into the student's classroom or bringing the student to a specialist's classroom as determined by the IEP.

#### DEVELOPMENT OF ENGLISH LANGUAGE LEARNERS

English Language Learners (ELL) receive specialized services and instruction in an environment conducive to maximizing English learning. Students are provided designated and integrated language instruction in learning groups defined by their English Language Proficiency Assessments for California (ELPAC) level. All teachers are trained in the Sheltered Instruction Observation Protocol and provide integrated English Language Development opportunities throughout the school day.

#### GIFTED AND TALENTED EDUCATION

With the implementation of the Local Control Funding Formula, the state of California no longer provides specific funding for Gifted and Talented Education (GATE). Consequently, the District no longer formally assesses its students for GATE qualification. Nevertheless, MVWSD is committed to providing challenging and inspiring opportunities for gifted and talented students. Each school site receives District funding to support enrichment and extracurricular activities designed to challenge students.

#### EXTRACURRICULAR ACTIVITIES

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. These are some of the activities that Landels Elementary School currently offers:

- Art class
- Beyond the Bell
- Music class (once a week)
- Lunch activities through Playworks and Make-it Monday
- Math Olympiad
- Right at School
- Project Cornerstone
- Living Classroom
- Library
- YMCA
