2022-2023 Wellness Policy Annual Goals

Wellness Policy Annual Goals

Nutrition Promotion:

The District will make available, promote, and regularly reinforce the use of Smart Snacks checklist (digital or paper) for all schools, parent organizations, and relevant stakeholders.

Nutrition Education:

The District will provide general nutrition education through newsletters accessible via the website and school-to-parent communications.

Physical Activity:

The District will provide students access to physical activities during recess and lunch breaks, while simultaneously examining how schools utilize withholding of physical activity as a disciplinary practice.

Other School-Based Activities:

The District will provide general Health and Wellness resources and activities to schools and families via the Virtual Wellness Center.

Other School-Based Activities:

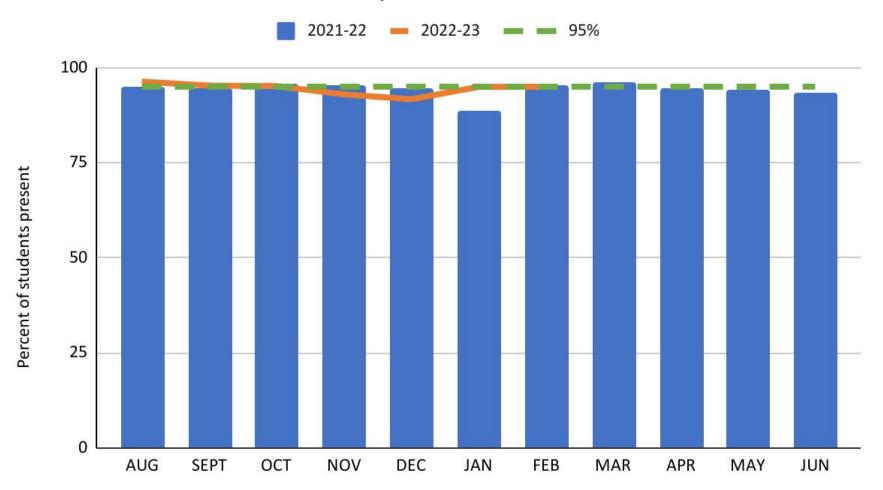

MVWSD will engage in resource mapping that identifies resources & activities that support WSCC practices.
