Re: Variable Term Waiver assignment – Hyun Suk Jang/
Crittenden Middle School Music Program

Background: The Human Resources Department posted for a part-time music teacher in May 2023. This posting remained unfilled as of the start of the school year. A variable term waiver will allow Hyun Suk Jang to instruct and supervise the music program at Crittenden Middle School while she completes credentialing requirements.

Rationale: Approval of variable term waivers ensures that the District fills vacant positions in our schools.

Recommendation:

It is recommended that Mountain View Whisman School District Board of Trustees approve a variable term waiver for Hyun Suk Jang, music teacher for the 2023-24 school year.
