SECTION 3. IMPROVEMENTS TO SCHOOL SITES

(a) Master Plans for each Open Space/Recreational Areas subject to this Agreement, including a description of the facilities, buildings and improvements that are included with such Open Space/Recreational Areas are attached to this Agreement as Exhibit A. The Master Plans for Cumberland, Cherry Chase, and Ellis denote areas of each campus that may be needed during the Term for expansion of School Facilities Areas If, during the Term, the DISTRICT will require those areas for School Facilities, DISTRICT shall notify CITY but shall not be required to comply with any other requirements of this section regarding amendment of Master Plans.

(b) The Master Plan for each school site shall be the governing document which determines the specific Open Space/Recreational Areas subject to this Agreement.

(2) CITY and DISTRICT agree that City may construct special recreational improvements for exclusive or primary use of CITY if desired, consistent with applicable Master Plans and the agreement of both parties. In the event of CITY-constructed improvements, CITY shall provide DISTRICT with a copy of the plans and specifications for any such improvements for its review prior to their construction. Any such special improvement shall be designated as such in the Master Plan, which shall be kept updated by CITY. CITY shall be responsible for all capital costs, including cost of installation, and all costs of maintenance with respect to such improvements.

(3) CITY and DISTRICT agree that capital improvements to the tennis courts and Columbia and Sunnyvale Middle School pools and pool facilities may be required during the term of this agreement and agree to cooperate to develop capital improvement plans for those facilities. Funding and construction of such capital improvements shall be subject to agreement, appropriation and approval as required by the rules, ordinances, policies and procedures for CITY and DISTRICT.

(d) CITY and DISTRICT acknowledge that DISTRICT may need to amend Master Plans in the future when necessitated by student growth, to add capacity, reconfigure sites or buildings to meet student needs, meet State of California legal mandates for facilities or programs, or provide new facilities of a type or size that could affect the Open Space/Recreational Areas subject to this Agreement. In the event DISTRICT anticipates the need to amend any Master Plan in a manner that proposes to reduce the Open Space/Recreational Area on a specific campus in order to add School Facilities to serve school programs and meet student needs, District shall immediately notify CITY of any such proposals, including a description of the proposal, the extent of open space/recreational area proposed to be impacted, and a detailed description of reasons for the proposal, including an explanation of why District does not believe the change can occur within District's existing School Facilities area. The parties shall in good faith work to minimize the impact of such need on the amount of Open Space/Recreational Area so as not to significantly impede community use and access. District agrees that it shall first consider all available alternatives, and any alternatives proposed by City, to confine the need to existing School Facilities Areas. After consideration of the foregoing, DISTRICT may amend a Master

Plan for the purposes described in this subsection without the approval of CITY, provided, however, that City Council approval shall be required for proposals affecting open space/recreation areas for which the City issues permits for organized youth sports or athletic leagues (for example, soccer or baseball fields) or for proposals to remove areas totaling five thousand (5,000) square feet or more on a single master plan site, either individually or combined with any other area removal during the term of this agreement. DISTRICT shall be responsible for the preparation of any amended Master Plan necessitated by a proposal pursuant to this section.

(e) Other Amendments to Master Plans. If either party during the term of this Agreement seeks changes to any approved Master Plan other than as described in subsection (d) above, CITY shall prepare an appropriate amendment to the pertinent Master Plan. CITY and DISTRICT shall appoint representatives to consult and coordinate on any proposed amendment to a Master Plan purpose of such consultation and coordination. The cost and expense of preparation of such amendment shall be by the party proposing it, or shall be borne jointly if CITY and DISTRICT jointly propose it. The cost of installation and maintenance of any such improvement shall be borne by the party which proposed it, or shall be borne jointly if CITY and DISTRICT jointly proposed it. All amendments to the Master Plans shall not be effective unless and until approved by the governing boards of CITY and DISTRICT.

(f) No contract for construction of any school building, as defined in Chapter 2 of Part 23 of Title 2 of the Education Code, shall be awarded without the prior approval of the State Architect, where required.

(g) DISTRICT recognizes that the construction of improvements pursuant to this Agreement may occur during times of the year when its schools are in session. CITY will endeavor to schedule construction activities so as to cooperate with DISTRICT and will assure that adequate safety precautions are in place. CITY shall consult with DISTRICT as to the scheduling and timing of construction of the improvements so as to minimize any adverse impact such construction may have on the instructional program of DISTRICT.

SECTION 4. FACILITY USAGE POLICY FOR OPEN SPACE/RECREATIONAL AREAS

(a) The following usage policy shall be effective upon execution of this Agreement with respect to school Open Space/Recreational Areas at all school sites.

(e) DISTRICT shall have priority use of facilities during days and times other than those listed in subsection (d) for DISTRICT activities such as summer school, school special events, afterschool athletics, and similar activities. Specific schedules shall be agreed upon by the Director of Library and Community Services of CITY and the Superintendent of DISTRICT or their authorized representatives. Non-school related groups will be notified of school priority and, provided DISTRICT gives notice at least thirty (30) calendar days in advance, may be required to relocate due to school special events.

(f) During school hours, Open Space/Recreational Areas may be used for public related recreational activities, only with the express permission of the Superintendent of the DISTRICT.

(g) CITY shall be responsible for administering facility reservations for public use of Open Space/Recreational Areas. CITY shall be solely responsible for determining a priority use system, as well as fees to be charged to the public and/or organized groups for use of Open Space/Recreational Areas during such times that the sites are under control of CITY.

Such fees shall be required to conform to all applicable rules, regulations, ordinances and/or laws governing school grounds in addition to those applicable to CITY property. All fees collected shall be the property of CITY. Copies of CITY's reservation and priority use policy will be provided to DISTRICT.

(h) When school buildings are under lease by DISTRICT to private users for education purposes between the hours of 8am and 4 pm, such private users shall have access to the Open Space/Recreational Areas on the same basis as the DISTRICT.

SECTION 5. USE OF CITY AND DISTRICT FACILITIES

CITY shall provide to DISTRICT, at no cost, after CITY-scheduled activities and consistent with CITY policy on facility use, the use of a reasonable number of reserved park picnic areas in various CITY parks on weekdays for each class in each DISTRICT school site, from May 15-June 15 each year for the purpose of end of school year celebrations. DISTRICT shall provide CITY by February 1 of each year, a written request stating the specific dates and times picnic facilities are to be reserved for use by the DISTRICT. Any picnic facilities that are requested after the February 1 deadline will be subject to all regular facility reservation policies including rental fees, according to the facility rental rate schedule in effect at that time. All facilities requested by DISTRICT shall be used only by organizations under the direct control of the DISTRICT or a school site, and shall be only for the use of student celebrations.

(a) City Use of District Facilities.

DISTRICT and CITY will continue to meet as needed to schedule the CITY use of DISTRICT facilities, including but not limited to gyms, technology labs, and other meeting and programming spaces for summer programs.

SECTION 6. OBLIGATION OF DISTRICT NOT TO SELL, LEASE OR DISPOSE OF CERTAIN OPEN SPACE/RECREATIONAL AREAS FOR 25 YEARS WITHOUT GRANTING CITY RIGHT OF ACQUISITION.

The reserve bank shall be deemed satisfied to the extent of the amount of land acquired by City pursuant to this section.

(c) Unless inconsistent with Education Code section 17485, *et seq.*, DISTRICT shall not sell, lease, convey, transfer, or otherwise dispose of any school site subject to District's jurisdiction that includes Open Space/Recreational Areas, or portion thereof, for purposes other than public education during the term of this Agreement without following the procedure set forth in this section.

(d) Prior to selling, leasing, conveying, transferring or otherwise disposing of any Open Space/Recreational Areas, or portion thereof, which is not already leased to another party or needed for public education purposes, DISTRICT shall first give CITY written notice of its intent to sell, lease, convey, transfer or otherwise dispose of such property in accordance with Education Code section 17489.

(e) Not more than sixty (60) days after the date of the written notice of intent CITY may give DISTRICT written notice that CITY is interested in exercising its rights of acquisition under this section for open space or recreational purposes. If CITY fails to give DISTRICT timely notice pursuant to this subsection with respect to a school site or portion thereof, it shall have no further rights with respect to such site or portion.

(f) If CITY gives DISTRICT timely notice of interest in exercising its right of acquisition pursuant to subsection (c), CITY and District shall enter into an agreement granting to City, at no cost to City in consideration of the public recreational interests and the City's maintenance and construction of improvements at the school sites, a permanent open space easement for recreational use over the applicable site or other such alternative agreement for the disposition of property as provided in Education Code section 17498.
