SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

BOARD OF EDUCATION

The Mountain View Whisman School District's Board of Trustees functions as the legislative body of the district and establishes the vision, goals and policies by which the school district is operated. Residents of the District are eligible to run for election to overlapping four-year terms. Trustees are elected by the registered voters of the district. The elected members of the MVWSD Board of Trustees are here to serve the community. Community members may contact trustees by either calling (650) 526-3552 or sending an email to trustees@mvwsd.org. Laura Blakely, Christopher Chiang, Devon Conley, Laura Ramirez Berman, and William Lambert are serving as trustees for the Mountain View Whisman School District.

DISTRICT ADMINISTRATION

The district is led by Superintendent Dr. Ayiné Rudolph. Community members may contact Dr. Rudolph by either calling the district office at (650) 526-3500 or sending an email to supt@mvwsd.org. The district's leadership team consists of Chief Business Officer Dr. Rebecca Westover; Chief Academic Officer Cathy Baur; and Chief Human Relations Officer Tara Vikjord.

Dr. Rudolph has been the Superintendent since 2015. He has a Doctorate in Education in Leadership, Policy and Organizations from Vanderbilt University. DISTRICT PROFILE

Mountain View Whisman School District (MVWSD) is located in Mountain View, California, a suburban community of over 77,000 approximately 35 miles south of San Francisco. The award-winning district serves a diverse student population in preschool through eighth grade representing a wide range of ethnicities, languages, cultures, and economic status. The district serves 4,800 students in nine elementary schools and two middle schools. After graduating from middle school, students arrive prepared at the Mountain View-Los Altos Union High School District; one of the best in the state.

The District provides a broad curriculum that includes art, music (with community support from the Mountain View Educational Foundation), physical education, and specialized programs at some schools such as Spanish-English Dual Immersion (Mistral) and parent participation (Stevenson). Students and staff have ready access to technology in a 1:1 environment to enhance and support student learning as well as to support the work of teachers, principals, and district-level staff.

Within MVWSD, there is a culture of dedication and commitment to serving the students at all levels. The community is open and embraces the students, staff, and District. All stakeholders are willing to do what is required to improve students' learning experiences and outcomes. Community partnerships provide a wide range of support and enrichment for student learning including opportunities for after-school activities and field trips. A large percentage of parents are also engaged in supporting schools as volunteers, committee members, decision makers, and advocates for their children.

SCHOOL FACILITIES

Bubb Elementary sits on 9.66 acres and has 26 permanent rooms on site. It has a multi-use room, library, two playgrounds, and front office space with a staff room.

Cleaning Process

The principal works with the custodial staff to ensure classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

The district provides comprehensive cleaning standards and prioritization guidelines. Each custodial staff member receives job training to attain a thorough understanding of their individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

The custodial staff and principal inspect facilities for safety hazards or other conditions that need attention. They communicate daily regarding campus maintenance and safety issues. Restrooms are checked periodically throughout the day and cleaned as needed. Daily housekeeping and cleaning take place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service with emergency repairs given the highest priority.

The district's maintenance department inspects facilities and operating systems at the school. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1).

INSTRUCTIONAL MATERIALS

The school district held a public hearing on September 7, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most currently available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers, parents, and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics

- California Alternate Assessments for ELA, mathematics, and science

- California Science Test (CAST)

- California Spanish Assessment (CSA)

- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
 - Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility. The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Mountain View Whisman School District is grateful for parent involvement. There are many ways parents can be involved with our schools. Some options include joining the Parent Teacher Association (PTA), running for School Site Council (SSC), or joining the English Learner Advisory Committee (ELAC). Parents who wish to regularly volunteer on school campuses are required to complete a volunteer badge application through our Raptor system. Infrequent volunteers, those that are on campus less than three times per year, are required to present a valid ID when signing in.

Bubb Elementary School benefits greatly from the involvement of parents and local community partnerships. There are several avenues in which parents may become involved: Parent Teacher Association (PTA), English Learner Advisory Committee (ELAC), School Site Council, and volunteering in classrooms and school events. Bubb Elementary School employs a part-time, bilingual School and Community Engagement Facilitator who partners with teachers, parents, and students to increase communication and parent involvement, connect families to appropriate resources, and coordinate efforts for the success of all students.

The school enjoys many partnerships with community members and organizations. CSMA provides arts and music instruction, the Community Health Awareness Council (CHAC) provides two counselors to assist students with their emotional needs, and Rhythm and Moves provides physical education. Bubb Elementary School is a Project Cornerstone school.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The safety of students and staff is a primary concern of all Mountain View Whisman schools. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually in the spring by the School Site Council, parents, and faculty. The plan was most recently updated and reviewed in March 2023.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised by school staff and the principal.

Noon duty supervisors and other site staff provide supervision during lunch. Students may be dropped off and picked up from the front of the school. The school enforces a closed-campus policy during school hours to ensure student safety. Visitors must sign in at the office, wear a visitor's badge at all times while on campus, and sign out upon leaving the school.

Protecting the health and safety of our staff, students and families is a priority. MVWSD has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, availability of personal protective equipment, hygiene practices, and responding to positive COVID cases.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

All students have access to the core curriculum. Bubb Elementary School provides dedicated time each day for intervention and enrichment through the school's Response to Instruction program. The district provides two additional teachers to support this initiative.

Student progress is monitored through ongoing assessment and is conveyed to parents in a variety of ways including: during parent/teacher conferences held in December, through report cards that are sent home at the end of each trimester as well as through the parent portal where parents can view assessment results including CAASPP and i-Ready reports. The principal and individual staff members also discuss student's assessment data in alignment with the district's Multi-Tiered System of Support (MTSS) processes.
