I have 12 years of experience in education as a teacher and educational leader. I hold my doctorate in Organizational Learning from Vanderbilt. I have worked closely on school district financial decisions as a collaborator with district-level staff. I also currently manage a program that oversees 300 students and has a \$50,000 budget. I am interested in participating in this committee because of my background in education and my commitment to educational equity. I am a parent of a [REDACTED], a spouse of a teacher, a community member, and a homeowner within the district. I believe my experience and background would make me a good candidate for this committee.
