To the Mountain View Whisman School District Board of Education:

I am writing to formally request permission to paint the exterior of the building we currently lease from you, the MVWSD Cooper Campus. We believe this project will enhance the school's appearance and aesthetic, as well as create a more inviting learning environment for our students and families.

We have chosen colors that are almost identical to the current paint color and complement the school's identity and architecture. Examples are available for review and the details are listed below:

- 6121- Whole Wheat
- DEC750- Bison Beige
- KM5817- Pebble Beach
- KM4960-5 Evening Glory

We believe that this painting project represents our investment in enhancing the visual appeal of the Cooper School. Your approval would be greatly appreciated.

Thank you for considering our request. For further discussion or clarification, please reach out to me at cathy@actiondayschools.com.

Sincerely,

Cathy Jelic

President
