California Dashboard State and Local Indicators

Purpose of the Dashboard

- Parents/guardians, educators, other stakeholders and the public can use the Dashboard to see how local educational agencies and schools are performing under California's school accountability system
- Provides a quick overview, with additional detail available, about overall performance and student group performance on multiple measures of student success
- Information provided will assist in identifying strengths, weaknesses and areas in need of improvement for local educational agencies and schools.

State Indicators

- **Academic Indicators (State Priority 4):**
 - English Language Arts/Literacy (ELA) assessment (SBAC scores)
 - Mathematics Assessment (SBAC scores)
- **Suspension Rate Indicator (State Priority 6)**
- **English Learner Indicator (Priority 4)**
 - Progress of English Learners (ELs)
- **Chronic Absenteeism Rate (State Priority 5)**
 - Not reported until fall of 2017
- **Graduation Rate Indicator (State Priority 7 - not reported for elementary districts)**
- **College/Career Indicator (State Priority 8 - not reported for elementary districts)**

Local Indicators

- State data is not available for some priority areas identified in the Local Control Funding Formula law.
- The State Board of Education approved local indicators and a required self-reflection tool, which are based on information that local educational agencies collect locally.
- The local indicators are:
 - **State Priority 1 - Basic Services and Conditions of Learning**
 - **State Priority 2 - Implementation of State Academic Standards**
 - **State Priority 3 - Parent Engagement.**
 - **State Priority 6 - School Climate**
 - **State Priority 7 - Broad Course of Study**

How is Local Performance Measured

All local indicators must be:

- Updated annually based on locally available information and data
 - ✓ Met
 - Not Met
 - Not Met For Two or More Years
- Reported to the local Governing Board in conjunction with the approval of the the Local Control Accountability Plan
- Uploaded to the California Dashboard no later than July 2024

Standard: Local educational agencies (LEAs) annually measure their progress in the extent to which students have access to, and are enrolled in, a broad course of study that includes the adopted courses of study...including the programs and services developed and provided to unduplicated students and individuals with exceptional needs

Local Indicator: Self Reflection - Narrative Responses

Please assess the local educational agency performance on meeting the standard by designating the following:

- ✓ Met
- Not Met
- Not Met For Two or More Years

State Priority 7 - Broad Course of Study

Broad Course of study for grades 1-6: California Education Code 51210

- English
- Mathematics
- Social Sciences
- Science
- Visual and Performing Arts
- Health
- Physical Education
- Other studies that may be prescribed by the governing board

- English
- Social Sciences
- Foreign Language
- Physical Education
- Science
- Mathematics
- Visual and Performing Arts
- Applied Arts
- Career Technical Education

State Priority 7 - Broad Course of Study

Identify the locally selected measures or tools that the LEA is using to track the extent to which all students have access to, and are enrolled in, a broad course of study.

Elementary School

- Daily class schedules (Powerschool and teacher created)
 - Core subjects including STEAM
 - English Language Development
 - Special Education
- Art and Music - Community School of Music and Art
- Physical Education - Rhythm and Moves
- Response to Instruction for Intervention or Enrichment
- Puberty Talk Program

Middle School

- Daily class schedules - Powerschool
 - Core subjects
 - English Language Development
 - Special Education
 - Electives
 - Physical Education
 - Response to Instruction
- Elective catalog
- Teen Talk

State Priority 7 - Broad Course of Study

Summarize the extent to which all students have access to, and are enrolled in, a broad course of study.

Elementary Schools

In reviewing school and grade level data for the 2023-34 school year all elementary students had access to a broad course of study as outlined by Education Code.

Middle Schools

In reviewing student schedules and associated data for the 2023-24 school year all middle school students had access to a broad course of study as outlined by Education Code.

State Priority 7 - Broad Course of Study

Identify the barriers preventing MVWSD from providing access to a broad course of study for all students in 2023-24:

Elementary School

- All students attending District elementary schools had access to a broad course of study.

Middle School

- All students attending District middle schools had access to a broad course of study.

State Priority 7 - Broad Course of Study

Highlights from LCAP Parent Survey	% Agree and Strongly Agree 2021-22	% Agree and Strongly Agree 2022-23	% Agree and Strongly Agree 2023-24
My child's school provides a well rounded curriculum	80%	83%	83%

My school provides a good education to students	83%	81%	82%
My school provides enough textbooks and other materials to students	83%	80%	83%

State Priority 7 - Broad Course of Study

Share the revisions, decisions, or new actions implemented for 2023-24 to ensure access to a broad course of study for all students

Overall

- The District will begin in August 2024 with regular schedules

Middle Schools

The middle schools will continue to have an eight-period schedule which allows all students to have at least one choice elective and includes:

- Response to Instruction periods
- Co-taught classes
- Math courses that start all students on a pathway to Algebra 1 or Geometry in 8th grade
- Choice electives for all students: Add additional staff to each middle school to allow for additional elective courses and to lower class size
- Addition of Python based Coding courses through Techsmart which will allow students who complete the series to be eligible to take the PCEP Industry Certification test and become a Python Certified Entry Level Programmer
