Re: Rollover of RFP Mountain View Whisman Contract

Dear Deborah Austin,

Thank you for allowing Sysco San Francisco the opportunity to bid on **Rollover of RFP Mountain View Whisman Contract** for the period of **July 1, 2024 through June 30, 2025**.

For your consideration, we've included additional varieties and cost-effective alternatives. If items on bid have guaranteed pricing that expires before the end of bid term, the expiration date will be noted on the customer copy. New bid pricing for these items will be provided after we have received the renewals from the suppliers. Notification by letter will be sent with new cost and effective dates.

Bid Pricing Overview:

- *** (Asterisk)** - Items bid without a manufacturer's price guarantee.
- **Market** - Items bid as Market will fluctuate weekly; however, the margin used is guaranteed through bid term. The items identified on the enclosed bid documents reflect the Market price on the date of document completion.
- **P** - Produce items are guaranteed by calendar month. In the case of drastic weather conditions around the country we may be forced to implement an "Act of God Clause". In the event of this occurrence, we will provide a written notice and new pricing will take effect immediately.
- **Ecolab**- Please reach out to your local Ecolab Representative for your contract pricing on all items marked as "**ECOLAB**" on your customer copy.
- **Pactiv**: Due to the volatility of the market caused by COVID-19, all Pactiv pricing is subject to change monthly with the market.

Delivery and Opening Order Overview:

- **Off Day Orders**: Orders that ship outside of a normal scheduled delivery day must meet a 15 case and \$750.00 minimum order requirement. This will be waived during holiday weeks.

Please note that some items may be bid as special order. These items will require a four-week lead time to process. Any item brought in for a customer via special order will need to ship in full to the customer within 30 days from the received date.

Should we receive notification from our manufacturer of price changes due to the volatility in the market, where contracted pricing cannot be extended, we will give you written notice of intent to change price. As well as documentation from the manufacturer of the intended price change with new guaranteed dates.

To ensure pricing and accuracy, Sysco San Francisco requires at least two-week notification for pricing implementation and inventory level adjustments. Only Sysco awarded items will be entered into our pricing system, and items not awarded Sysco may not be valid at bid price.

If you have any questions, please feel free to contact your Sysco Representative Michael McCormick or Chris Medina, Bid Manager at 510-602-8159.

Sincerely,

Chris Medina
