

INTRODUCTION

The Mountain View Whisman School District Board of Education is asking for your help in selecting our next superintendent. To ensure this is a collaborative and inclusive process, the Board is providing this online survey and encourages your participation. We have requested that consultants from Leadership Associates, who are assisting the Board with the search, conduct an online survey to solicit input from students, staff, parents, and community.

The following survey asks you to respond to several critical questions. The information generated from this anonymous survey will be used to develop a profile which indicates desired qualities and characteristics in the next superintendent. It will also guide the recruitment and reference checking process as well as development of questions for the interview. The survey also seeks your perspectives on District strengths, challenges, and our community. Consultants will compile a report summarizing survey results and share it with the Board.
